AMBIDEXTROUS MAGAZINE RELEASE WITH FDE BUTTON

[Rifle Parts](#) > [Receiver Parts](#) > [Magazine Parts](#) > [Magazine Releases](#)

Strike Industries' AMBI Magazine Release drops into any receiver designed to accept a mil-spec magazine catch. Low profile, and ergonomically designed, the mag-catch integrates with most receivers while being very easy to use and will not accidentally activate or interfere with other controls. The package also includes our enhanced Strike Magazine Release button and spring for a complete drop-in upgrade. For “wrong-handed” folks or for those that just want more options, the Strike Ambi-Mag Release is the perfect component to have.

Safety Instruction Guide for Strike Industries Ambidextrous Magazine Release

Introduction

Thank you for choosing the Strike Industries Ambidextrous Magazine Release. This product is designed to enhance your firearm's functionality while prioritizing safety and ease of use. Please read this safety instruction guide carefully to ensure safe handling, installation, and usage of the magazine release.

General Safety Guidelines

- Always handle firearms and accessories with care and responsibility.
- Ensure that the firearm is unloaded before installing or handling the magazine release.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine release for any signs of wear or damage.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the magazine release is compatible with your receiver before installation.
- Avoid using excessive force when operating the magazine release to prevent accidental activation.
- Do not modify the magazine release or its components, as alterations may compromise safety.
- Always maintain a safe shooting environment and follow all firearm safety protocols.
- If you experience any issues with the magazine release, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure that the firearm is completely unloaded. Remove all ammunition from the vicinity.
- Gather necessary tools, including a screwdriver if needed.

2. Remove the Existing Magazine Release:

- Locate the existing magazine release on your firearm.
- Use the appropriate tool to carefully remove the old magazine release and spring.

3. Install the Strike Industries Ambidextrous Magazine Release:

- Insert the new magazine release into the designated slot in the receiver.
- Place the enhanced Strike Magazine Release button in position.
- Install the provided spring according to the manufacturer's instructions.

4. Test the Installation:

- Ensure that the magazine release operates smoothly without obstruction.
- Confirm that it does not interfere with other firearm controls.

Usage

- To release the magazine, press the ambidextrous magazine release button with your thumb or index finger.
- Ensure that your finger is off the trigger until you are ready to fire.
- Practice using the magazine release in a safe environment to become familiar with its operation.

Disposal Instructions

- Dispose of the product in accordance with local regulations for firearm accessories.
- Do not dispose of the magazine release in regular household waste.
- Consider recycling components where applicable.
