# Safety Instruction Guide for STABILIZER FOR SIG MPX/MCX

## Introduction

Thank you for choosing the STABILIZER FOR SIG MPX/MCX by Strike Industries. This guide provides essential safety instructions and information to ensure the safe and effective use of your stabilizer. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the stabilizer is compatible with your SIG MPX/MCX model before use.
- Always handle firearms and accessories with care to prevent accidents.
- Keep the stabilizer out of reach of children and unauthorized users.
- Regularly inspect the stabilizer for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- Do not use the stabilizer if it shows any signs of damage or malfunction.
- Ensure that the stabilizer is securely attached to the firearm before use.
- Avoid using the stabilizer in adverse weather conditions that may affect its performance.
- Be aware of your surroundings and ensure a safe environment when using the firearm with the stabilizer attached.
- If you experience any issues while using the stabilizer, cease use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the stabilizer with the existing receiver cuts on your SIG MPX/MCX.
- Firmly attach the stabilizer until you hear a click, indicating it is securely in place.
- Verify that the stabilizer is stable and does not move when pulled.

### 2. Usage:

- Hold the firearm with both hands, ensuring a firm grip on the stabilizer.
- When firing, maintain a stable stance to utilize the stabilizer effectively.
- After use, detach the stabilizer if necessary, following the same procedure in reverse.

## Disposal Instructions

- When the stabilizer reaches the end of its life cycle or is no longer needed, dispose of it responsibly.
- Do not dispose of the stabilizer in regular household waste.
- Check local regulations for proper disposal methods for firearm accessories.

## Contact Information for Further Support

For any safety inquiries or additional support, please reach out to your local retailer or the manufacturer. Always ensure you have the latest information regarding product recalls and safety updates.

## Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your STABILIZER FOR SIG MPX/MCX. Stay informed about safety practices and always prioritize safety when handling firearms and accessories. Thank you for your attention to these important safety measures.
