FRAME PIN SET FOR GLOCK® GEN3/4 RIVAL ARMS

FRAME PIN SET FOR GLOCK® GEN4 TITANIUM

Safety Instruction Guide

Introduction

Thank you for choosing the FRAME PIN SET FOR GLOCK® GEN3/4 by RIVAL ARMS. This product is designed to enhance the performance and reliability of your Glock® platform. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure safe handling and usage of the product.
- Always use the product in accordance with the manufacturer's instructions.
- Be aware of the risks associated with improper installation or use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates on safety recalls and product alerts through official channels.

Specific Safety Precautions for Use

- Before installation, inspect the frame pin set for any visible damage or defects.
- Always wear appropriate safety gear, such as safety glasses, when handling the product.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure that your workspace is clean and free from distractions.
- Gather all necessary tools for installation, including a punch tool and a hammer.

2. Installation Steps

- Remove the slide and barrel from your Glock® firearm.
- Ensure the firearm is completely unloaded.
- Locate the existing frame pins that need to be replaced.
- Using the punch tool, carefully drive out the old frame pins from the frame.
- Align the new frame pins with the holes in the frame.
- Gently tap the new pins into place using the hammer, ensuring they are securely fitted.
- Reassemble the firearm by reinstalling the slide and barrel.

3. Usage

- After installation, perform a function check to ensure that the firearm operates correctly.
- Regularly inspect the frame pins for signs of wear or damage.
- If any issues arise, discontinue use and consult a qualified professional.

Disposal Instructions

- Dispose of any old or damaged frame pins in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries or further assistance regarding the FRAME PIN SET FOR GLOCK® GEN3/4, please refer to the manufacturer's contact information provided on the packaging or in the product documentation.

Conclusion

By following these safety instructions, you can ensure the proper installation and use of the FRAME PIN SET FOR GLOCK® GEN3/4. Your safety and the safety of others is paramount, so always prioritize safe practices when handling firearms and their components. Thank you for your attention to these important guidelines.
