

VIPER PICATINNY SCOPE CAP MOUNTING ASSEMBLIES - KNIGHTS ARMAMENT 35MM VIPER PICATINNY SCOPE CAP

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

A KAC-Compatible Scope Cap Designed to Accept Accessories

VIPER PICATINNY SCOPE CAP MOUNTING ASSEMBLIES Whether it's a rangefinder, infrared light, laser or other accessory, there are many add-ons that today's shooters want mounted close to their optic, and the VIPER Picatinny Scope Cap makes it possible to place these units directly above an optic. The scope cap can be used on any KAC scope mount that accepts 30mm or 34mm scope tubes. A Picatinny-compatible mounting rail on the top of the cap accepts all compatible Picatinny-rail mounts on accessories.

VIPER Picatinny Scope Cap Mounting Assemblies

Safety Instruction Guide

Introduction

Thank you for choosing the VIPER Picatinny Scope Cap Mounting Assemblies by Knights Armament. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always handle the product with care to avoid injury.
- Inspect the product for any damage or defects before use.
- Ensure that all components are securely fastened before using the scope cap.
- Use the product only as intended, following all instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay updated on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to equipment failure or injury.
 - Use of incompatible accessories may compromise safety and functionality.
- **Avoiding Hazards:**
 - Ensure compatibility with your scope and accessories before installation.
 - Do not exceed the weight limit of the scope cap.
 - Avoid using the product in extreme temperatures or conditions that may affect its integrity.
- **Age Restrictions:**
 - This product is intended for use by adults. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**
 1. **Gather Tools:** Ensure you have the necessary tools for installation (e.g., screwdrivers).
 2. **Check Compatibility:** Verify that your scope mount accepts 30mm or 34mm scope tubes.
 3. **Attach the Scope Cap:**
 - Position the VIPER Picatinny Scope Cap on the scope mount.
 - Securely fasten the screws provided, ensuring a snug fit without overtightening.
 4. **Mount Accessories:**
 - Utilize the Picatinny-compatible rail on the top of the scope cap.
 - Attach any compatible accessories according to their specific instructions.
- **Usage:**
 - Regularly check the integrity of the installation and the condition of the accessories mounted.
 - Avoid excessive force when adjusting or moving mounted accessories.
 - Store the product in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations concerning electronic waste and materials.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum components.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the appropriate channels as listed in the product packaging or your retailer.

Thank you for your attention to these safety instructions. Enjoy your VIPER Picatinny Scope Cap Mounting Assemblies responsibly and safely!
