

"GUARDIAN" BOLT RELEASE PLATE FOR RUGER™ 10/22™ - TANDEMKROSS GUARDIAN BOLT RELEASE PLATE FOR RUGER 10/22

[Home](#)

At a glance: Allows simple and automatic release of the bolt mechanism Black Oxide finish for super tough durability Drop in part: easy to install The 10/22® is a legendary rifle but just like any other gun, it has its own annoyances. Releasing the bolt on a factory original Ruger® 10/22® requires the operator to manipulate the bolt lock with one hand while releasing the bolt with the other. The TANDEMKROSS "Guardian" Bolt Release Plate eliminates this manual and tedious step. Once installed it enables the operator to release the bolt in an intuitive way by pulling back slightly on the bolt handle and the bolt simply releases. This part is a must have for any serious 10/22® owner.

Safety Instruction Guide for GUARDIAN Bolt Release Plate

Introduction

Thank you for choosing the GUARDIAN Bolt Release Plate for your Ruger™ 10/22™. This product is designed to enhance the functionality of your firearm by allowing a simple and automatic release of the bolt mechanism. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is unloaded before installing or using the GUARDIAN Bolt Release Plate.
- Store the firearm and any accessories in a secure location, away from children and unauthorized users.
- Regularly inspect the GUARDIAN Bolt Release Plate for wear or damage. If any issues are found, discontinue use immediately.
- Follow all local laws and regulations regarding firearm use and modifications.

Specific Safety Precautions for Use

- Only use the GUARDIAN Bolt Release Plate with Ruger™ 10/22™ models.
- Ensure that all parts are correctly installed and secured before operating the firearm.
- Avoid placing fingers near the bolt release area during operation to prevent accidental release.
- Do not attempt to modify or alter the GUARDIAN Bolt Release Plate in any way.
- If you experience any malfunctions or issues while using the product, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before installation, confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove Original Bolt Release:** Use appropriate tools to remove the factory bolt release from your Ruger™ 10/22™.
3. **Install GUARDIAN Bolt Release Plate:**
 - Align the GUARDIAN Bolt Release Plate with the bolt release mechanism.
 - Press it into place until it clicks securely.
4. **Test Functionality:** Before using the firearm, test the bolt release mechanism to ensure it operates smoothly.

Usage

1. **Operating the Bolt:** To release the bolt, pull back slightly on the bolt handle. The bolt will release automatically with the GUARDIAN Bolt Release Plate installed.
2. **Regular Checks:** After each use, check the functionality of the bolt release to ensure it is operating correctly.

Disposal Instructions

When it is time to dispose of the GUARDIAN Bolt Release Plate, follow these guidelines:

- Do not dispose of firearm accessories in regular household waste.
- Contact local waste management authorities for proper disposal methods.

- Ensure that the product is disposed of in a manner that prevents unauthorized use.

Contact Information for Further Support

For any inquiries regarding the GUARDIAN Bolt Release Plate or safety concerns, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your GUARDIAN Bolt Release Plate. Thank you for prioritizing safety while enjoying your Ruger™ 10/22™.
