Safety Instruction Guide for FIBER OPTIC FRONT SIGHT FOR RUGER™ PC CARBINE

Introduction

Thank you for choosing the TANDEMKROSS Fiber Optic Front Sight for your Ruger® PC Carbine™. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the front sight.
- Use the product only as intended, following all instructions provided.
- Keep the product out of reach of children and unauthorized users.
- Regularly check the sight for any signs of wear or damage before use.
- If any defects are found, discontinue use and contact support for assistance.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Specific Safety Precautions for Use

- Avoid using the fiber optic sight in conditions where visibility is severely compromised, such as heavy fog or darkness without supplemental lighting.
- Do not modify the sight or use it in any way that is not recommended by the manufacturer.
- Ensure that the sight is securely attached to the firearm before use to prevent accidents or injuries.
- Always wear appropriate eye protection when shooting.
- Be mindful of the sight's adjustment features and ensure they are set correctly before firing.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing front sight from the Ruger® PC Carbine™ according to the manufacturer's instructions.
- Align the TANDEMKROSS Fiber Optic Front Sight with the mounting point on the firearm.
- Secure the sight in place using the appropriate tools, ensuring it is tightly fitted.
- Check the alignment and make any necessary adjustments before use.

2. Usage:

- Once installed, familiarize yourself with the sighting system.
- Practice aiming at targets in various lighting conditions to understand how the fiber optic tubes enhance visibility.
- Adjust the sight as needed for your shooting style and preferences.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste if it contains any hazardous materials.
- Consider recycling components when possible.
