

"EAGLE'S TALON" EXTRACTOR FOR SMITH & WESSON™ M&P 15-22 - TANDEMKROSS EAGLE'S TALON EXTRACTOR FOR S&W M&P 15-22

[Rifle Parts](#) > [Bolt Parts](#) > [Extractor Parts](#) > [Extractors](#)

At a glance: Machined from hardened tool steel to last a lifetime Sharp "hook" design grabs casings securely and surely Reduces failures-to-eject and "stove-pipe" malfunctions The TANDEMKROSS "Eagle's Talon" Extractor for Smith & Wesson® M&P® 15-22 is a much-needed reliability upgrade that replaces the factory-provided M&P® 15-22 extractor. The factory extractor often can't maintain a secure enough hold on the spent casing as the rifle is cycling, causing stove-pipes and failures-to-eject malfunctions. TANDEMKROSS "Eagle's Talon" Extractor is CNC-machined with a positive hook that will grab and secure each round until it needs to be ejected. While the factory extractor can chip- reducing its ability to consistently extract spent casings- the "Eagle's Talon" extractor upgrade is machined from hardened tool steel for long-term strength and durability. Eliminate your frustrations at the range and during speed shooting competitions with the "Eagle's Talon" Extractor for Smith & Wesson® M&P® 15-22!

EAGLE'S TALON Extractor Safety Instruction Guide

Introduction

Thank you for choosing the EAGLE'S TALON Extractor for your Smith & Wesson® M&P® 1522. This guide provides essential safety information, installation instructions, and usage guidelines to ensure a safe and enjoyable experience with your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms and firearm accessories with care and responsibility.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the extractor for wear and tear. Replace if damaged.
- Report any unsafe product incidents to the relevant authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Only use the EAGLE'S TALON Extractor with the Smith & Wesson® M&P® 1522 firearm.
- Always ensure that the firearm is unloaded before installation or maintenance.
- Wear appropriate eye protection when using firearms.
- Do not attempt to modify the extractor or use it with incompatible firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a screwdriver and cleaning cloth.

2. Installation

- Remove the factory extractor from the M&P® 1522 following the manufacturer's instructions.
- Clean the extractor area to remove any debris or residue.
- Insert the EAGLE'S TALON Extractor into the extractor slot, ensuring it is seated properly.
- Secure the extractor in place with the appropriate screws.
- Doublecheck the installation to ensure it is firmly attached.

3. Usage

- Load the firearm with appropriate ammunition.
- Test the extractor by cycling through a few rounds to ensure proper function.
- Monitor the performance during use. If you experience any malfunctions, cease use immediately and inspect the extractor.

Disposal Instructions

- Dispose of the EAGLE'S TALON Extractor in accordance with local regulations.
- Do not dispose of the extractor in regular household waste.
- Contact local recycling centers for proper disposal options.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's website or customer service resources.

By following these guidelines, you can ensure a safe and effective experience with your EAGLE'S TALON Extractor. Thank you for your attention to safety.
