

KESTREL POCKET - ARMAGEDDON GEAR KESTREL POCKET MULTICAM

[Shooting Accessories](#) > [Windmeters & Flags](#) > [Windmeters](#)

The Kestrel Pocket is purpose-built to securely protect your weather meter against bumps, scratches, dirt and debris. Your meter will ride snugly in a soft, fuzzy, and padded inner layer housed within a Cordura-covered hard-plastic outer shell. Webbing loop provides a convenient way to attach an ITW Tac Link or other tie-down so you don't lose your gear. Like everything Armageddon Gear manufactures, the Kestrel Pocket is made in the USA!

Kestrel Pocket Armageddon Gear Safety Instructions

Introduction

Thank you for choosing the Kestrel Pocket Armageddon Gear. This product is designed to securely protect your weather meter from bumps, scratches, dirt, and debris. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the Kestrel Pocket for any signs of wear or damage.
- Keep the product away from extreme temperatures and moisture to avoid degradation.
- Store the Kestrel Pocket in a dry place when not in use.
- If you notice any damage or malfunction, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Avoid exposing the Kestrel Pocket to sharp objects that may puncture or tear the material.
- Do not overload the pocket with unnecessary items that may cause strain on the seams or zippers.
- Ensure that the weather meter is securely placed inside the pocket before moving to prevent it from falling out.
- Use the webbing loop to attach the pocket to a secure point when in use, to avoid accidental loss.

Instructions for Installation and Usage

1. Preparing the Kestrel Pocket:

- Open the Kestrel Pocket by unzipping the outer shell.
- Check the interior for any debris or foreign objects before placing your weather meter inside.

2. Inserting the Weather Meter:

- Gently place your weather meter into the padded inner layer of the Kestrel Pocket.
- Ensure that the meter fits snugly and securely.

3. Securing the Pocket:

- Zip the outer shell closed, ensuring a tight fit around the weather meter.
- Use the webbing loop to attach the pocket to a belt, backpack, or other secure location.

4. Using the Kestrel Pocket:

- Carry the Kestrel Pocket as needed, ensuring that it is securely attached to prevent loss.
- Avoid dropping or throwing the pocket, as this may damage the contents or the pocket itself.

Disposal Instructions

- Dispose of the Kestrel Pocket in accordance with local waste management regulations.
- If the product is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Kestrel Pocket Armageddon Gear, please refer to the manufacturer's website or contact your local distributor.

By following these safety instructions, you can ensure the safe and effective use of your Kestrel Pocket Armageddon Gear. Thank you for your attention to these guidelines, and enjoy your product!
