[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

This compact, but fully featured carbine case is available in 35" and 42" versions to accept AR15s or AR10s and similar rifles. The 35" version is perfect for a 16" barreled carbine. The 42" version is perfect for a 16"-18" barreled carbine with a suppressor attached. No more removing that can every time you go to or from the range! Plenty of pockets and a wide shoulder strap make it easy to transport spare magazines, ammo, your data book or cleaning supplies to the range. Milspec 1000 Denier solution-dyed Cordura nylon handles hard use with ease and high-density closed-cell foam padding protects valuable weapons and optics. An adjustable shoulder strap comes in handy when you're carrying too much gear to the range like we always do. Like everything Armageddon Gear manufactures, the Perfect Carbine Case is made in the USA!

# Perfect Carbine Case Safety Instructions

## Introduction

Thank you for choosing the Perfect Carbine Case by Armageddon Gear. This guide is designed to ensure your safety and the longevity of your product. Please read all instructions carefully before use.

## General Safety Guidelines

- Always handle firearms and ammunition with care.
- Ensure the carbine case is closed and secured when transporting firearms.
- Regularly inspect the case for any signs of wear or damage.
- Store the carbine case in a dry and cool environment to prevent deterioration of materials.
- Keep the case out of reach of children and unauthorized users.
- Familiarize yourself with the features of the case to ensure proper use.

## Specific Safety Precautions for Use

- When carrying the case, ensure that the shoulder strap is adjusted to a comfortable length to prevent strain.
- Do not overload the case with excessive weight beyond its intended capacity.
- Avoid exposing the case to extreme temperatures or direct sunlight for prolonged periods.
- Do not use the case for purposes other than transporting firearms and related gear.
- Ensure that all compartments are securely closed when in transit to prevent items from falling out.

## Instructions for Installation and Usage

### 1. Preparation:

- Before placing your firearm in the case, ensure it is unloaded and safe to handle.
- Remove any accessories that may protrude or cause damage during transport.

### 2. Loading the Case:

- Open the case and lay it flat on a stable surface.
- Place your firearm inside the case, ensuring it fits snugly without forcing it.
- Secure the firearm with any internal straps or padding provided to prevent movement during transport.

### 3. Using the Pockets:

- Utilize the external pockets for storing magazines, ammunition, and cleaning supplies.
- Ensure that items placed in the pockets are secured to prevent them from falling out.

### 4. Carrying the Case:

- Use the adjustable shoulder strap for comfortable carrying.
- If using the handles, ensure a firm grip to avoid dropping the case.

### 5. Closing the Case:

- Once everything is loaded, close the case securely.
- Check all zippers and fasteners to ensure they are properly closed.

## **Disposal Instructions**

- When the carbine case reaches the end of its life, dispose of it in accordance with local regulations.
- Consider recycling the materials if possible, especially if they are made from synthetic fabrics.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the Perfect Carbine Case, please refer to the contact information provided on the packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Perfect Carbine Case. Thank you for your attention to these guidelines.
