# AIMPOINT™ ACRO P1 MOUNT FOR SIG SAUER P320

## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the AIMPOINT™ ACRO P1 MOUNT FOR SIG SAUER P320. This product is designed to securely attach the Aimpoint® Acro P1 to your Sig Sauer P320 with a PRO slide cut. To ensure safe and effective use, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Ensure the mount is compatible with your specific Sig Sauer model featuring the PRO slide cut (Rev 2).
- Always inspect the mount for any visible damage before installation.
- Do not exceed the manufacturer's specified weight limit for optics mounted on the device.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for updates on recalls or safety notices through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Do not use the mount if it shows signs of wear, damage, or corrosion.
- Ensure that the mounting screws are tightened to the manufacturer's specifications before use.
- Avoid exposing the mount to extreme temperatures or harsh chemicals that may degrade its materials.
- Do not attempt to modify the mount or use it for purposes other than intended.
- Always follow the manufacturer's instructions for the Aimpoint® Acro P1 when attaching it to the mount.

### Instructions for Installation and Usage

#### 1. Preparation

- Gather all required tools, including a torque wrench and appropriate screwdrivers.
- Ensure that your Sig Sauer P320 is unloaded and safe to handle.

#### 2. Installation Steps

- Remove the existing optic plate from the slide of your Sig Sauer P320.
- Align the Apex Optic Mount with the PRO slide cut on the pistol.
- Secure the mount using the provided screws, ensuring they are tightened to the specified torque settings.
- Attach the Aimpoint® Acro P1 to the mount according to the manufacturer's instructions.

#### 3. PostInstallation Check

- After installation, doublecheck that all screws are tight and that the optic is securely mounted.
- Perform a function test to ensure proper operation of both the mount and the optic.

#### 4. Usage

- Regularly inspect the mount during routine maintenance to ensure it remains secure and functional.
- If you notice any issues, discontinue use immediately and consult a qualified gunsmith.

### Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where available.

### Contact Information for Further Support

For any questions or concerns regarding the AIMPOINT™ ACRO P1 MOUNT FOR SIG SAUER P320, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety and compliance while using this product. Enjoy your shooting experience!
