BREECH LOCK BULLET SIZER & PUNCHES LEE PRECISION Safety Instructions

Introduction

Thank you for choosing the Lee Breech Lock Bullet Sizer & Punch. This product is designed to size cast bullets, seat, and crimp gas checks efficiently. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the Breech Lock Bullet Sizer in accordance with the manufacturer's instructions.
- Ensure that the product is used only for its intended purpose, which is to size cast bullets.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about any product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while operating the sizer.
- Ensure that the reloading press is securely mounted to a stable surface to prevent accidents.
- Avoid using excessive force when sizing bullets to prevent injury or damage to the product.
- Do not exceed the recommended diameter of 0.225 inches for the Breech Lock Bullet Sizer.
- Be aware of the potential for lead exposure when handling lead bullets. Follow safety guidelines for lead handling.
- Do not leave the product unattended while in use.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is compatible with Breech Lock accessories.
- Securely attach the Breech Lock Bullet Sizer to the Breech Lock platform of your reloading press.
- Confirm that the sizer is locked in place before proceeding.

2. Usage

- Prepare your cast bullets for sizing by ensuring they are clean and free from debris.
- Insert the bullet into the Breech Lock Bullet Sizer, ensuring proper alignment.
- Pull the handle of the reloading press to size the bullet. Apply steady, even pressure.
- After sizing, check the bullet for proper dimensions and quality.
- If you are using gas checks, place them on the bullet before sizing to ensure proper seating and crimping.
- Store the Breech Lock Bullet Sizer in a dry, safe location when not in use.

Disposal Instructions

- Dispose of any damaged or worn components responsibly according to local regulations.
- If the product is no longer usable, consider recycling materials where possible.
- Do not dispose of lead or other hazardous materials in regular waste.

Contact Information for Further Support

For any questions or concerns regarding the Breech Lock Bullet Sizer & Punch, please refer to the manufacturer's website or customer service for assistance.
