# Safety Instruction Guide for BREECH LOCK BULLET SIZER & PUNCHES LEE PRECISION 0.329"

## Introduction

Thank you for choosing the Lee Breech Lock Bullet Sizer & Punch. This product is designed to size cast bullets, seat, and crimp gas checks efficiently. Please read this safety instruction guide carefully to ensure safe and effective use of the product. Adhering to these guidelines will help prevent accidents and ensure compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read the product manual before use.
- Ensure your workspace is clean and welllit.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Regularly inspect the product for any signs of wear or damage.
- Store the product in a dry and safe location when not in use.
- Report any unsafe product incidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from debris.
- Use gloves to prevent skin irritation from materials.
- Ensure that the reloading press is stable and securely mounted.
- Do not exceed the recommended load limits for your reloading press.
- Keep hands and other body parts clear of moving parts during operation.
- Avoid wearing loose clothing or jewelry that may get caught in the equipment.
- Ensure adequate ventilation when using materials that may produce fumes.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare the Reloading Press:

- Ensure the reloading press is clean and free from any obstructions.
- Securely mount the press to a stable work surface.

#### 2. Attach the Breech Lock Bullet Sizer:

- Insert the Breech Lock Bullet Sizer into the Breech Lock system of your reloading press.
- Turn the locking mechanism to secure the sizer in place.

#### 3. Install the Punch:

- Insert the appropriate punch into the Breech Lock Bullet Sizer.
- Ensure it is properly seated and locked in place.

## Usage

### 1. Sizing Bullets:

- Place a cast bullet into the Breech Lock Bullet Sizer.
- Pull the handle of the reloading press to size the bullet.
- Repeat for additional bullets as needed.

### 2. Seating and Crimping Gas Checks:

- Place a gas check onto the base of the bullet.
- Use the reloading press to seat and crimp the gas check securely.

### 3. Regular Maintenance:

- Clean the Breech Lock Bullet Sizer and punches regularly to prevent buildup.
- Inspect for any signs of wear and replace parts as necessary.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For inquiries regarding safety, usage, or any concerns about the Lee Breech Lock Bullet Sizer & Punch, please refer to the product manual or visit the manufacturer's website for more information.

By following these safety instructions, you can ensure a safe and efficient experience with your Lee Breech Lock Bullet Sizer & Punch. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
