# Safety Instruction Guide for BREECH LOCK BULLET SIZER & PUNCHES LEE PRECISION 0.339"

## Introduction

Thank you for choosing the Lee Breech Lock Bullet Sizer & Punch. This tool is designed for sizing cast bullets, seating, and crimping gas checks. To ensure safe and effective use, please follow the safety instructions outlined in this guide. Your safety is our priority.

## General Safety Guidelines

- Always read and understand this manual before using the product.
- Ensure that you are using the product in accordance with all local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- If you encounter any issues during use, stop immediately and refer to this manual for troubleshooting.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the Breech Lock Bullet Sizer & Punch only with Breech Lock enabled reloading presses.
- Ensure that the diameter of the sizer matches the specifications of the bullets being used (0.339 inches).
- Always wear safety glasses to protect your eyes from any potential debris or projectiles.
- Avoid wearing loose clothing or jewelry that may get caught in the equipment.
- Do not exceed the recommended operating pressure or force while using the sizer.
- Do not modify the product in any way; unauthorized alterations may lead to unsafe conditions.
- Ensure that your workspace is clean and free from obstructions to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Insert the Breech Lock Bullet Sizer into the Breech Lock holder on your reloading press.
- Tighten the holder securely to prevent any movement during operation.

### 2. Usage:

- Prepare your cast bullets according to your reloading specifications.
- Insert the bullet into the sizer, ensuring it is properly aligned.
- Operate the reloading press according to the manufacturer's instructions to size the bullet.
- After sizing, check the bullet for proper dimensions and quality.
- If using gas checks, insert them into the appropriate position and crimp them securely using the press.
- Regularly clean the sizer to maintain optimal performance and prevent buildup of materials.

## Disposal Instructions

- Dispose of any worn or damaged parts of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Contact your local waste management authority for guidance on proper disposal methods.

## Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please reach out to the designated EU contact point for assistance. Ensure that you have the product specifications and any relevant information ready for a more efficient response.

By following these safety instructions, you can ensure a safer and more effective experience with your Lee Breech Lock Bullet Sizer & Punch. Thank you for prioritizing safety in your reloading practices.
