# **Safety Instruction Guide for BREECH LOCK BULLET SIZER & PUNCHES LEE PRECISION 0.401"**

## **Introduction**

Thank you for choosing the Lee Breech Lock Bullet Sizer & Punch. This product is designed to size cast bullets, seat, and crimp gas checks effectively. Please read this safety instruction guide carefully to ensure the safe use of the product and compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always read and understand the product instructions before use.
- Ensure that the product is used in accordance with the intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use only with Breech Lock enabled reloading presses.
- Ensure that the reloading press is securely mounted and stable before use.
- Do not exceed the recommended size specifications for bullets.
- Avoid wearing loose clothing or jewelry that may get caught in the machinery.
- Always wear appropriate safety gear, including eye protection.
- Do not operate the product if you are tired or under the influence of substances that may impair your judgment.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that the reloading press is unplugged and not in operation.
- Attach the Breech Lock Bullet Sizer & Punch to the Breech Lock system of your reloading press according to the manufacturer's instructions.
- Make sure the sizer is securely locked in place before proceeding.

### **2. Usage:**

- Select the appropriate diameter for the bullets you intend to size (0.401").
- Insert the cast bullet into the sizer.
- Operate the reloading press smoothly to size the bullet, ensuring that your hands are clear of moving parts.
- After sizing, check the bullet for proper sizing and any irregularities.
- If using gas checks, place them on the bullet before crimping.
- Follow the same steps to crimp gas checks onto the bullets as per the specific instructions for your reloading press.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for local recycling programs that accept metal components.

## **Contact Information for Further Support**

For any inquiries or support regarding the Lee Breech Lock Bullet Sizer & Punch, please consult the product packaging or visit the manufacturer's website for further assistance.

By following these guidelines, you can ensure a safe and effective experience with your Lee Breech Lock Bullet Sizer & Punch. Thank you for your attention to safety.
