BREECH LOCK BULLET SIZER & PUNCHES LEE PRECISION Safety Instruction Guide

Introduction

Thank you for choosing the Lee Breech Lock Bullet Sizer & Punch. This product is designed to safely and effectively size cast bullets, seat, and crimp gas checks when used properly. This guide provides essential safety instructions and precautions to ensure your safety and the optimal performance of the product.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that your reloading press is compatible with the Breech Lock Bullet Sizer & Punch.
- Use the product only for its intended purpose as specified in this manual.
- Inspect the product regularly for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of reloading equipment and materials.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the product.
- Ensure that your workspace is clean, welllit, and free from clutter to avoid accidents.
- Do not use the Breech Lock Bullet Sizer & Punch with any materials or components that are not recommended by the manufacturer.
- Avoid using excessive force when sizing bullets to prevent injury or damage to the product.
- Be aware of potential pinch points during operation; keep hands and fingers clear of moving parts.
- In case of any malfunction or unexpected behavior, stop using the product immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Installation

- Ensure your reloading press is Breech Lock enabled.
- Remove any existing dies or accessories from the press.
- Insert the Breech Lock Bullet Sizer into the press according to the manufacturer's instructions.
- Securely tighten the die in place, ensuring it is correctly aligned.

2. Usage

- Load the cast bullet into the sizer.
- Operate the press handle slowly and steadily to size the bullet.
- For seating and crimping gas checks, follow the specific instructions provided with the Breech Lock Bullet Sizer Kit.
- After use, clean the product to remove any residue or debris to maintain its functionality.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal and plastic components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the Lee Breech Lock Bullet Sizer & Punch, please refer to the manufacturer's contact information provided with the product packaging or on their official website.

Conclusion

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience when using the Lee Breech Lock Bullet Sizer & Punch. Always prioritize safety and remain informed about best practices in reloading. Thank you for choosing our product.
