Safety Instruction Guide for the BREECH LOCK BULLET SIZER & PUNCHES LEE PRECISION 0.510" BREECH LOCK BULLET SIZER & PUNCH

Introduction

Thank you for choosing the Lee Breech Lock Bullet Sizer & Punch. This product is designed to size cast bullets, as well as seat and crimp gas checks. It is essential to use this product safely and correctly to ensure your wellbeing and the effectiveness of your reloading process. This guide provides important safety instructions, usage guidelines, and disposal information in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that you are using the product in accordance with the manufacturer's instructions.
- Inspect the product for any damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating the product.
- Be aware of your surroundings and ensure the work area is clean and free of hazards.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the Breech Lock Bullet Sizer is securely attached to your reloading press before use.
- Do not exceed the recommended bullet sizing capacity of the product.
- Avoid direct contact with moving parts during operation to prevent injury.
- Use only compatible components and materials as specified in the product manual.
- Do not attempt to modify or repair the product yourself; contact a qualified technician if repairs are needed.
- Always follow the recommended procedures for cleaning and maintenance to ensure safe operation.

Instructions for Installation and Usage

Installation

1. Prepare Your Reloading Press:

- Ensure the reloading press is clean and free of any obstructions.
- Verify that the press is compatible with Breech Lock accessories.

2. Attach the Breech Lock Bullet Sizer:

- Insert the Breech Lock Bullet Sizer into the Breech Lock bushing of your reloading press.
- Rotate the sizer until it locks securely in place.

3. Insert the Punch:

- Place the punch into the appropriate position on the Breech Lock Bullet Sizer.
- Ensure it is seated properly and securely.

Usage

1. Sizing Bullets:

- Place a cast bullet into the sizing die.
- Operate the press handle to size the bullet.
- Ensure that the bullet is fully seated in the sizing die before retracting the handle.

2. Seating and Crimping Gas Checks:

- Position the gas check on the base of the bullet.
- Follow the same steps as above to seat and crimp the gas check securely.

3. PostUse:

- After use, remove the Breech Lock Bullet Sizer from the press.
- Clean the product according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations concerning electronic waste and metal products.
- Do not dispose of in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's official contact channels.

Thank you for taking the time to read this safety instruction guide. By following these guidelines, you can ensure a safe and effective experience with the Lee Breech Lock Bullet Sizer & Punch.
