# HEAVY DUTY GUIDED DECAPPER Safety Instruction Guide

## Introduction

Thank you for choosing the HEAVY DUTY GUIDED DECAPPER from LEE PRECISION. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective operation of the product. Please read this manual carefully before using the decapper.

## General Safety Guidelines

- Always use the HEAVY DUTY GUIDED DECAPPER in accordance with the manufacturer's instructions.
- Ensure that the decapper is compatible with the Lee Decapping Die model 749001565.
- Keep the decapper out of reach of children and vulnerable individuals.
- Inspect the decapper for any damage or wear before each use.
- Do not use the decapper if it is damaged or malfunctioning.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with case mouth diameters of .334 inches or larger.
- Ensure that the case is properly aligned before decapping to prevent bending or breaking the decapper rod.
- Do not force the decapper if it encounters resistance; stop and check the alignment.
- Wear safety goggles to protect your eyes from potential debris during operation.
- Use gloves to protect your hands from sharp edges and potential injury.
- Store the decapper in a safe place when not in use to prevent accidental injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the HEAVY DUTY GUIDED DECAPPER, Lee Decapping Die, and cases to be decapped.
- Ensure your workspace is clean and free from clutter.

### 2. Installation:

- Attach the HEAVY DUTY GUIDED DECAPPER to the Lee Decapping Die as per the manufacturer's instructions.
- Ensure a secure fit to prevent any movement during use.

### 3. Usage:

- Place the case into the decapper, ensuring it is aligned with the guided rod.
- Gently lower the decapper to engage with the case.
- Apply steady pressure to decap the case. If resistance is felt, stop and check the alignment.
- Once the case is decapped, remove it carefully and inspect for any damage.

### 4. PostUse:

- Clean the decapper after use to remove any residue or debris.

- Store the decapper in its original packaging or a designated safe place.

## **Disposal Instructions**

- Dispose of any damaged or broken parts according to local regulations.
- Recycle packaging materials where applicable.
- Do not dispose of the decapper in regular household waste if it is damaged; check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to your local distributor or the manufacturer's website for assistance. It is important to have an EUbased contact for safety concerns.

Thank you for using the HEAVY DUTY GUIDED DECAPPER responsibly. Your safety is our priority.
