Safety Instructions for HEAVY DUTY GUIDED DECAPPER LEE PRECISION 27 CALIBER 7MM HEAVY DUTY GUIDED DECAPPER

Introduction

Thank you for choosing the HEAVY DUTY GUIDED DECAPPER from Lee Precision. This product is designed to assist in the decapping process while ensuring safety and efficiency. Please read this safety instruction guide carefully to ensure proper usage and to minimize risks associated with the product.

General Safety Guidelines

- Always use the decapper in a welllit and clean workspace.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the decapper for any signs of wear or damage before use.
- Do not use the decapper for any purpose other than its intended use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls or safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the decapper is compatible with Lee Decapping Die 749001565 (90292).
- Always wear safety glasses to protect your eyes from debris or fragments.
- Use the product only with case mouth diameters of .334 inches or larger.
- Avoid applying excessive force when using the decapper to prevent bending or breaking.
- Do not attempt to modify or alter the decapper in any way.
- Keep hands and fingers clear of the working area during operation.

Instructions for Installation and Usage

1. Preparation

- Ensure that you have the appropriate Lee Decapping Die and that the workspace is clean and organized.
- Gather all necessary tools and materials before beginning.

2. Installation

- Securely mount the Lee Decapping Die in your reloading press according to the manufacturer's instructions.
- Attach the HEAVY DUTY GUIDED DECAPPER rod to the die, ensuring a snug fit.

3. Using the Decapper

- Insert the case into the decapping die, ensuring proper alignment.
- Gently lower the handle of the press to engage the decapper.
- Monitor the operation closely to ensure that the case is being decapped without excessive force.
- If resistance is felt, stop the operation and check for misalignment or obstructions.

4. PostUse Care

- Remove the decapped case from the die and inspect the decapper for any signs of damage.

- Clean the decapper rod and die to remove any debris or residue.

Disposal Instructions

- Dispose of the HEAVY DUTY GUIDED DECAPPER responsibly, following local regulations for the disposal of metal products.
- Do not dispose of the decapper in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or additional support regarding the HEAVY DUTY GUIDED DECAPPER, please refer to the manufacturer's contact resources. Ensure you have the product details available when reaching out for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your HEAVY DUTY GUIDED DECAPPER. Thank you for prioritizing safety in your reloading activities.
