Safety Instruction Guide for HEAVY DUTY GUIDED DECAPPER

Introduction

Thank you for choosing the HEAVY DUTY GUIDED DECAPPER by LEE PRECISION. This guide provides essential safety information and instructions for the safe use of the product. Please read this document carefully to ensure proper handling and to minimize any risks associated with its use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the decapper for any signs of wear or damage before use.
- If the product is damaged or not functioning properly, discontinue use immediately.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the decapper.
- Follow all local laws and regulations regarding the handling and use of reloading equipment.

Specific Safety Precautions for Use

- Use the HEAVY DUTY GUIDED DECAPPER only with Lee Decapping Die 749001565 (90292).
- Ensure that the case mouth diameter is .334 inches or larger before use.
- Do not attempt to decap cases that are not compatible with the guided decapper.
- Avoid excessive force when using the decapper to prevent bending or breaking.
- Always ensure that the rod is properly aligned with the case before decapping.
- Do not place your hands or any body parts near the decapping area while the product is in use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your workspace is clean and free of obstructions.
- Securely mount the Lee Decapping Die in your reloading press according to the manufacturer's instructions.
- Insert the HEAVY DUTY GUIDED DECAPPER rod into the die, ensuring it is properly seated.

2. Usage:

- Place the case into the shell holder of the reloading press.
- Align the HEAVY DUTY GUIDED DECAPPER rod with the case mouth.
- Slowly and steadily apply pressure to the handle of the reloading press to decap the case.
- Inspect the decapped case for any damage before proceeding with further reloading steps.

Disposal Instructions

- Dispose of any damaged or worn components of the HEAVY DUTY GUIDED DECAPPER in accordance with local regulations.
- Recycle materials whenever possible to minimize environmental impact.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding the safety and use of the HEAVY DUTY GUIDED DECAPPER, please refer to the contact information provided by the manufacturer or retailer from whom you purchased the product.

Remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform to ensure safe usage of your product. Thank you for prioritizing safety in your reloading activities.
