### A Leg-Strap Kit for Your Modular Holster Adapter

MODULAR HOLSTER ADAPTER LEG STRAP KIT Leg-strap holsters have been around since the late 1800s for good reason. Moving a holster off the waist down to the leg gives professionals more real estate to carry other essential gear without preventing easy access to their dedicated defensive arm. You can take advantage of this access by using the Modular Holster Adapter Leg Strap Kit from True North Concepts. Most drop-leg holsters use two leg straps that provide a mid-level ride for a holstered pistol that's low enough to stay clear of body armor, gear belts, and vest pouches. However, the True North Concepts Modular Holster Adapter Leg Strap Kit gives you a unique level of versatility by allowing you to fine-tune where the leg strap sits on your thigh. This enables you to choose the best position for your body and allows you to create a custom solution for your tactical loadout. The True North Concepts Modular Holster Adapter Leg Strap Kit features a 36-inch MIL-W-5664 Type 2 Class 1 Nylon elastic webbing strap complete with a mil-spec thread and Berry-compliant sewing. The DFARS Grade 6061-T6 aluminum adapter bracket is compatible with a number of other popular straps on the market, like those offered from Safariland, Blackhawk, and Ronin Tactics. The kit is available in black or multicam.

# Safety Instructions for the Modular Holster Adapter Leg Strap Kit

## Introduction

Thank you for choosing the Modular Holster Adapter Leg Strap Kit from True North Concepts. This product is designed to enhance your tactical loadout while ensuring safety and ease of use. Please read and follow these safety instructions carefully to ensure safe operation and maintenance of the product.

## General Safety Guidelines

- **Product Safety:** This product is designed to meet safety standards for nonfood items. Ensure that you use it as intended to avoid risks.
- **Enhanced Recalls:** Stay informed about any product recalls by checking official notices. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety regulations similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach to prevent accidental use.
- **EU Contact Point:** For any safety inquiries, please refer to the contact details provided by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- Ensure that the leg strap is properly adjusted before use to avoid slipping or misalignment.
- Regularly inspect the leg strap for any signs of wear or damage. Do not use the product if it is compromised.
- Avoid using the product in situations where it may become entangled with other gear.
- When wearing the holster, ensure that it does not obstruct your movement or visibility.
- Always practice safe firearm handling procedures when using the holster with a firearm.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Adapter:** Ensure that the adapter bracket is compatible with your holster and other straps.
2. **Attach the Strap:**
  - Locate the attachment points on the adapter bracket.
  - Insert the strap securely into the designated slots.
3. **Adjust the Fit:**
  - Position the leg strap on your thigh.
  - Adjust the strap length to achieve a snug fit without restricting circulation.
4. **Secure the Holster:**
  - Attach your holster to the adapter bracket as per the manufacturer's instructions.
  - Ensure that the holster is locked in place.

### Usage

- When using the Modular Holster Adapter Leg Strap Kit, ensure that:
  - Your firearm is holstered properly.
  - The strap is secure and does not shift during movement.
- Practice drawing your firearm in a safe environment to familiarize yourself with the setup.
- Store the product in a cool, dry place when not in use.

## **Disposal Instructions**

- When disposing of the Modular Holster Adapter Leg Strap Kit, follow local regulations for the disposal of nylon and aluminum materials.
- If the product is damaged beyond repair, consider recycling the materials where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the Modular Holster Adapter Leg Strap Kit, please refer to the contact information provided by the retailer or manufacturer.

Thank you for your attention to these safety instructions. Your safety is our priority.
