## A Leg-Strap Kit for Your Modular Holster Adapter

MODULAR HOLSTER ADAPTER LEG STRAP KIT Leg-strap holsters have been around since the late 1800s for good reason. Moving a holster off the waist down to the leg gives professionals more real estate to carry other essential gear without preventing easy access to their dedicated defensive arm. You can take advantage of this access by using the Modular Holster Adapter Leg Strap Kit from True North Concepts. Most drop-leg holsters use two leg straps that provide a mid-level ride for a holstered pistol that's low enough to stay clear of body armor, gear belts, and vest pouches. However, the True North Concepts Modular Holster Adapter Leg Strap Kit gives you a unique level of versatility by allowing you to fine-tune where the leg strap sits on your thigh. This enables you to choose the best position for your body and allows you to create a custom solution for your tactical loadout. The True North Concepts Modular Holster Adapter Leg Strap Kit features a 36-inch MIL-W-5664 Type 2 Class 1 Nylon elastic webbing strap complete with a mil-spec thread and Berry-compliant sewing. The DFARS Grade 6061-T6 aluminum adapter bracket is compatible with a number of other popular straps on the market, like those offered from Safariland, Blackhawk, and Ronin Tactics. The kit is available in black or multicam.

# Safety Instruction Guide for MODULAR HOLSTER ADAPTER LEG STRAP KIT

## Introduction

Thank you for choosing the Modular Holster Adapter Leg Strap Kit from True North Concepts. This product is designed to enhance your tactical loadout while ensuring safety and comfort during use. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- Always ensure that the holster and leg strap are securely attached before use.
- Regularly inspect the leg strap and adapter for signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product in a manner that is inconsistent with its intended purpose.
- Follow all local laws and regulations regarding the use of holsters and firearms.

## Specific Safety Precautions for Use

- Ensure the leg strap is adjusted to fit securely around your thigh without restricting circulation.
- Avoid wearing the leg strap over loose clothing that may interfere with its stability.
- Do not overload the holster with gear that exceeds its design limits.
- Use caution when drawing or reholstering your firearm to avoid accidental discharge.
- If you experience discomfort or pain while using the product, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Installation of the Leg Strap

- Unpack the Modular Holster Adapter Leg Strap Kit and ensure all components are included.
- Identify the leg strap and the adapter bracket.
- Adjust the leg strap to the desired length by sliding the buckle.
- Position the strap around your thigh, ensuring it sits comfortably and securely.
- Attach the adapter bracket to the holster according to the manufacturer's instructions.

### 2. Usage of the Holster

- Place your firearm securely in the holster.
- Ensure that the holster is properly secured to the leg strap.
- Before moving, check that the firearm is secure and will not shift during movement.
- Practice drawing and reholstering your firearm in a safe environment to become familiar with the setup.

### 3. Maintenance

- Regularly inspect the leg strap and adapter for any signs of wear or damage.
- Clean the nylon strap with mild soap and water, and allow it to air dry completely before storage.
- Store the product in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the Modular Holster Adapter Leg Strap Kit in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.

- Do not dispose of the product in household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the Modular Holster Adapter Leg Strap Kit, please refer to the product packaging for contact information of the manufacturer.

By following these safety instructions, you can ensure a safe and effective experience with your Modular Holster Adapter Leg Strap Kit. Thank you for your attention to these guidelines, and stay safe.
