## **An Improved Magazine Well Designed for Use on the Strike 80 Compact Frame Kit**

As if the Strike Industries Strike 80 Compact Pistol Frame Kit really needed anything to make it look cooler, but Strike Industries keeps hitting it out of the park with its components. The latest enhancement available for its Strike 80 kit is this Strike 80 Magwell, which is not only a way to enhance the look of your gun, it'll also enhance the functionality of it, too. This Strike Industries Strike 80 Compact Pistol Frame Magwell maintains the slim, sleek design of the compact pistol, so you can still carry it with ease. However, this adds a generous funneled magazine well that speeds up reloads and makes them easier, so you can get back into action faster than ever before. The magwell is compatible with most aftermarket baseplates, including the company's own EMP design.

# Safety Instructions for MAGWELL for Strike80 Compact Pistol Frame Kit

## Introduction

Thank you for choosing the MAGWELL for the Strike80 Compact Pistol Frame Kit by Strike Industries. This product is designed to enhance both the aesthetics and functionality of your firearm. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installation or maintenance.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the MAGWELL is compatible with your specific Strike80 Compact Pistol Frame Kit.
- Avoid using damaged or defective products. Inspect the MAGWELL for any signs of wear or damage before use.
- Do not modify the MAGWELL or any other components of your firearm, as this may compromise safety and performance.
- Always wear appropriate personal protective equipment (PPE), such as eye protection and hearing protection, when using firearms.
- Be mindful of the magazine well's design, as it may affect the way you handle and reload your firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded.
- Remove the existing magazine well, if applicable, according to the manufacturer's instructions.
- Align the Strike 80 Magwell with the frame of the pistol.
- Secure the Magwell in place using the provided screws or fasteners.
- Doublecheck that the Magwell is firmly attached and that there are no loose parts.

### 2. Usage:

- When reloading, ensure that the magazine is properly aligned with the funneled opening of the Magwell.
- Practice reloading in a safe environment to become familiar with the enhanced functionality of the Magwell.
- Regularly clean and inspect the Magwell to ensure optimal performance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the MAGWELL becomes damaged or is no longer in use, dispose of it responsibly. Do not discard it in regular household waste.
- Contact your local waste management facility for guidance on disposing of firearm accessories.

## Contact Information for Further Support

For any inquiries or concerns regarding the MAGWELL for the Strike80 Compact Pistol Frame Kit, please refer to the product packaging or visit the manufacturer's website for more information.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MAGWELL for the Strike80 Compact Pistol Frame Kit. Always prioritize safety and responsibility when handling firearms.
