# CZ P10 Enhanced Slide Release Safety Instruction Guide

## Introduction

Thank you for choosing the Apex Tactical Specialties CZ P10 Enhanced Slide Release. This guide provides essential safety instructions to ensure the proper use and installation of your new slide release. Please read all sections carefully to maximize safety and performance.

## General Safety Guidelines

- Ensure that the firearm is unloaded before installation or handling of the slide release.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and accessories out of reach of children and unauthorized users.
- Use the product only for its intended purpose, as specified in this guide.
- Regularly inspect the slide release for signs of wear or damage before use.
- If you experience any issues with the slide release, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- This slide release is designed for use with CZ P10 C, F, and S models only. Using it with other models may pose safety risks.
- Do not modify the slide release or attempt to repair it. Modifications can compromise safety and functionality.
- Ensure that all components of the firearm are compatible and properly installed before use.
- Be aware that improper installation may lead to malfunction or unsafe operation.
- Always perform a function check after installation to ensure proper operation.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and in a safe environment.
- Gather necessary tools for installation (e.g., punch tool, hammer).

### 2. Installation Steps

- Remove the factory slide release from the firearm by following these steps:
  - Using a punch tool, carefully push out the retaining pin holding the factory slide release in place.
  - Remove the factory slide release and set it aside.
- Install the Apex CZ P10 Enhanced Slide Release:
  - Align the new slide release with the corresponding slot in the firearm.
  - Insert the retaining pin back into place to secure the new slide release.
  - Ensure the slide release is flush and operates smoothly.

### 3. Usage Instructions

- To activate the slide release, use your thumb to press down on the enhanced paddle.
- Ensure that your grip is firm and your fingers are clear of the ejection port during operation.
- Practice using the slide release in a safe environment to become familiar with its operation.

## **Disposal Instructions**

- When disposing of the slide release or any firearm components, follow local regulations for hazardous waste disposal.
- Do not dispose of the slide release in regular household waste.
- Contact your local waste management facility for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Apex CZ P10 Enhanced Slide Release, please refer to the manufacturer's official website or customer service resources.

## **Conclusion**

The Apex Tactical Specialties CZ P10 Enhanced Slide Release is designed to enhance the functionality of your firearm while ensuring safety. By following the guidelines and precautions outlined in this guide, you will help ensure a safe and effective experience. Always prioritize safety and responsible firearm handling.
