# Safety Instruction Guide for STOCK TUBE WITH BUFFER TUBE ADAPTOR

## Introduction

Thank you for choosing the Stock Tube with Buffer Tube Adaptor from Midwest Industries. This product is designed to enhance your firearm build with safety and efficiency in mind. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

## General Safety Guidelines

- Always handle firearms and related components safely and responsibly.
- Ensure that you are familiar with all local laws and regulations regarding firearm accessories.
- Inspect the Stock Tube with Buffer Tube Adaptor for any visible defects before installation.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the Stock Tube with Buffer Tube Adaptor only with MilSpec buffer tubes.
- Ensure that the product is securely attached before using your firearm.
- Do not exceed the weight limits specified by the manufacturer for any attachments.
- Avoid using the product in extreme weather conditions that may affect its performance.
- If you notice any unusual wear or damage, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a wrench and any other required items.
- Ensure that you are working in a clean, dry environment.

### 2. Installation Steps

- Remove the existing buffer tube from your firearm, if applicable.
- Align the Stock Tube with Buffer Tube Adaptor with the designated area on your firearm.
- Securely attach the adaptor using the appropriate screws or fasteners provided.
- Once attached, ensure that the adaptor is firmly in place and does not move.

### 3. Usage

- After installation, attach your MilSpec buffer tube to the adaptor.
- Test the assembly to confirm that everything is secure and functioning correctly.
- Regularly check the attachment during use to ensure it remains secure.

## Disposal Instructions

- Dispose of the Stock Tube with Buffer Tube Adaptor responsibly.
- Check local regulations for proper disposal methods for aluminum and other materials.
- Do not dispose of the product in regular household waste.

## Contact Information for Further Support

For further assistance or inquiries regarding the Stock Tube with Buffer Tube Adaptor, please refer to the manufacturer's website or customer service channels.

**Note:** This product is designed for adult use only. Ensure that all users are of legal age and understand the responsibilities associated with firearm ownership and use. Always prioritize safety and compliance with local laws.

Thank you for your attention to these safety guidelines. Enjoy your new Stock Tube with Buffer Tube Adaptor!
