

# STEEL ENHANCED MAGAZINE CATCH FOR GLOCK® 43X/48 - SHIELD ARMS G48/43X MAGAZINE CATCH, STEEL, BLACK

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Release Parts](#) > [Magazine Releases](#)

The Shield Arms steel mag catch is optimized to work with the Shield Arms S15 magazine. While it remains compatible with plastic OEM magazines, it can cause increased wear on plastic mags with prolonged use. We do not recommend using our steel mag catch with plastic OEM mags. Steel mag catch, several finish options Chamfered, textured button Optimized for use with Shield Arms S15 magazines Lower profile for concealed carry Made in the USA 100% lifetime warranty

# Safety Instruction Guide for Steel Enhanced Magazine Catch for Glock® 43X/48

## Introduction

Thank you for choosing the Steel Enhanced Magazine Catch for Glock® 43X/48 by Shield Arms. This guide provides essential safety instructions to ensure the proper use and maintenance of your product. Please read this document carefully before using the magazine catch.

## General Safety Guidelines

- Ensure the product is used only with compatible magazines, specifically the Shield Arms S15 magazine.
- Avoid using the steel magazine catch with plastic OEM magazines to prevent increased wear and potential malfunction.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the magazine catch for signs of wear or damage before each use.
- Always follow local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Do not exceed the recommended usage to avoid excessive wear on the magazine catch.
- Ensure that the magazine catch is securely installed before use.
- Use caution when handling firearms and ensure they are unloaded when installing or adjusting the magazine catch.
- Be aware of your surroundings and ensure safe handling practices at all times.
- If you notice any unusual behavior or performance issues with the magazine catch, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing magazine catch from your Glock® 43X/48.
- Align the new steel magazine catch with the magazine release slot.
- Gently press the magazine catch into place until it clicks securely.
- Test the magazine catch by inserting and releasing the magazine to ensure proper function.

### 2. Usage Instructions:

- To release the magazine, press the textured button on the magazine catch.
- Practice using the magazine catch in a safe environment to become familiar with its operation.
- Always ensure that the firearm is pointed in a safe direction when handling.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and firearm accessories.
- If the magazine catch is damaged or no longer functional, do not attempt to repair it. Dispose of it responsibly.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Steel Enhanced Magazine Catch, please refer to the product packaging or visit the manufacturer's website for contact details.

This safety instruction guide is designed to ensure the safe and effective use of your Steel Enhanced Magazine Catch. By following these guidelines, you can help ensure a safe shooting experience. Thank you for your attention to safety.
