## **Fits In Your Pocket - A Tool Set For In-The-Field Gun Repairs & Tweaks**

The ultra-compact MultiTasker Twist fits in your pocket like a pen and packs a bunch of critical maintenance/adjustment tools for your "modern sporting rifle" and other guns. It's built around a versatile 1/4" hex driver socket for the 10 bits that come with the Twist: 3/16" & 3/32" slotted, No. 1 Phillips, T10 & 15 Torx, and 3/16", 9/64", 1/8", 7/64" & 3/32" hex. (Bits are stored in the included rubber carrier strip.) You also get a 3/32" pin punch, a radial carbon scraper, heavy duty brass dental pick, an Aimpoint red dot sight turret adjuster, M16A2 style FSP adjustment tool, and a pocket clip that doubles as a light-duty slotted screwdriver. Built to last, too - housing of machined 6061 T6 aluminum, with a durable Type III military-style hardcoat anodized finish.

# MULTITASKER TWIST Safety Instruction Guide

## Introduction

Thank you for choosing the MULTITASKER TWIST. This ultracompact multitool is designed for critical maintenance and adjustment tasks related to your modern sporting rifle and other firearms. To ensure your safety and the effective use of this tool, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle the MULTITASKER TWIST with care to avoid injury.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool regularly for any signs of damage or wear before use.
- Do not use the tool for purposes other than intended.
- Ensure that you are in a safe environment when using the tool, especially when working with firearms.
- Follow all local laws and regulations regarding the use of tools and firearms.

## Specific Safety Precautions for Use

- **Sharp Edges:** The MULTITASKER TWIST includes sharp tools. Always use caution when handling and avoid direct contact with your skin.
- **Pin Punch Usage:** When using the 3/32" pin punch, ensure that you are wearing safety glasses to protect your eyes from debris.
- **Screwdriver Function:** When using the pocket clip as a screwdriver, do not apply excessive force, as this may cause the tool to slip and lead to injury.
- **Cleaning Tools:** Use caution when using the radial carbon scraper and brass dental pick to avoid damaging your equipment or injuring yourself.
- **Storage:** Store the MULTITASKER TWIST in a safe place to prevent accidental use or injury.

## Instructions for Installation and Usage

### 1. Familiarize Yourself with the Tool:

- Understand the various components of the MULTITASKER TWIST, including the hex driver socket and the different bits included.

### 2. Using the Hex Driver:

- Select the appropriate bit for your task.
- Insert the bit into the 1/4" hex driver socket until it clicks into place.
- Use the tool to drive screws or perform adjustments as needed.

### 3. Using the Pin Punch:

- Align the pin punch with the pin you wish to remove or adjust.
- Gently tap the punch with a hammer or other tool to dislodge the pin.

### 4. Using the Radial Carbon Scraper:

- Carefully scrape away carbon buildup from surfaces, ensuring you do not apply too much pressure.

### 5. Using the Pocket Clip:

- Use the clip as a lightduty slotted screwdriver for small screws.

## 6. PostUse Care:

- Clean the tool after use to remove any debris or residue.
- Store the MULTITASKER TWIST in a dry place to prevent corrosion.

## Disposal Instructions

- Dispose of the MULTITASKER TWIST in accordance with local regulations for metal and electronic waste.
- Do not dispose of the tool in regular household waste.
- If the tool is damaged beyond repair, ensure it is disposed of safely to prevent injury.

## Contact Information for Further Support

For any questions regarding the MULTITASKER TWIST, its use, or safety concerns, please reach out to the manufacturer or your point of purchase for assistance.

Thank you for prioritizing safety while using the MULTITASKER TWIST. Your attention to these guidelines will help ensure a safe and effective experience with this multitool.
