

# **QD STOCK INSERT FOR B5 SOPMOD STOCK - TECH TEN TACTICAL**

## **QD STOCK INSERT FOR B5 SYSTEMS SOPMOD GOVERNMENT STOCKS**

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

The patent pending Tech Ten Tactical B5 Enhanced SOPMOD stock Insert adds another QD attachment point to your B5 Enhanced or Government SOPMOD stocks. If you own this stock with or without a QD attachment point, then this insert is for you. Once the insert is installed in the front of the stock it places your sling in the ideal location, away from your pistol grip and not at the rear of your stock. Also, it allows your sling to pivot up to 220 degrees when used with the Ten Tech Tactical Swinger Sling Mount (sold separately) or up to 140 degrees with a standard QD. Installation is quick and easy. B5 Insert Features Adds a QD attachment point to the front of the B5 Enhanced SOPMOD Stock, placing it in an ideal location, away from your pistol grip but not at the back of your stock. Currently in use with military, law enforcement, and government agencies. Constructed from 7075 aircraft-grade aluminum with a MIL-SPEC Type III hard anodized coating. Anchored with a 3/16"" stainless steel roll pin. Installation is easy and takes less than five minutes. Manufactured with pride in the United States. Stock not included \* The B5 and LMT inserts are not interchangeable. This is the proper insert for the B5 Enhanced SOPMOD stock.

# QD Stock Insert for B5 SOPMOD Stock Safety Instructions

## Introduction

Thank you for choosing the QD Stock Insert for B5 SOPMOD Stock by Tech Ten Tactical. This product is designed to enhance the functionality of your B5 Enhanced or Government SOPMOD stocks by providing an additional QD attachment point. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only as intended, following all instructions provided.
- Regularly inspect the QD Stock Insert for any signs of wear or damage. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the QD attachment point is securely fastened before use.
- Avoid overloading the sling beyond its specified capacity.
- Be cautious when adjusting the sling position to prevent pinching or injury.
- Do not modify the QD Stock Insert or use it in a manner that is not recommended by the manufacturer.
- Use only compatible slings and accessories with the QD Stock Insert.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Stock:** Ensure that the B5 Enhanced or Government SOPMOD stock is clean and free of debris.
2. **Insert the QD Stock Insert:**
  - Align the QD Stock Insert with the designated slot at the front of the stock.
  - Push the insert into place until it is securely fitted.
3. **Secure with Roll Pin:**
  - Use the provided 3/16" stainless steel roll pin to anchor the insert firmly.
  - Ensure the roll pin is fully inserted and flush with the surface of the stock.
4. **Check Installation:**
  - Gently tug on the QD Stock Insert to confirm it is securely installed.

### Usage

- Attach your sling to the QD attachment point, ensuring it clicks into place.
- Adjust the sling as necessary for comfort and accessibility.
- When using with the Ten Tech Tactical Swinger Sling Mount, ensure it is properly installed to allow for the maximum pivot range of 220 degrees.
- For standard QD usage, maintain a pivot range of up to 140 degrees.

## Disposal Instructions

- Dispose of the QD Stock Insert responsibly, following local regulations for waste disposal.
- If the product is damaged or no longer in use, consider recycling components where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the QD Stock Insert for B5 SOPMOD Stock, please refer to the manufacturer's contact details provided in the product packaging or on their official website.

Thank you for prioritizing safety and compliance while using the QD Stock Insert for B5 SOPMOD Stock. Enjoy enhanced functionality and improved performance with your tactical equipment.
