

REMINGTON 700 SA ENHANCED M5 BDM TRIGGERGUARD - REM 700 SA M5 ENHANCED TRIGGERGUARD W/O DETACHABLE MAG

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

The new Badger Ordnance M5 Detachable Magazine System is a product enhanced version of our original Trigger Guard System. It features a low profile ambidextrous magazine release lever and a knurled barricade stop forward of the magazine well. Developed with input from operational military snipers as well as PRS precision rifle competitors, the M5 Enhanced Detachable Magazine System is manufactured to the same quality standards as our original. Machined from aircraft grade aluminum and are Mil Spec Type III Hardcoat anodized. Includes one 5 round AI AICS magazine and mounting hardware. For Remington 700 and Remington 700 pattern actions only. Inletting Required.

Safety Instruction Guide for the REMINGTON 700 SA ENHANCED M5 BDM TRIGGERGUARD

Introduction

Thank you for choosing the REMINGTON 700 SA ENHANCED M5 BDM TRIGGERGUARD. This product is designed to enhance your shooting experience while providing a safe and reliable solution for your Remington 700 and Remington 700 pattern actions. Please read this safety instruction guide carefully before use to ensure proper handling and installation.

General Safety Guidelines

- Ensure the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle firearms and related accessories with care, treating them as if they are loaded at all times.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for signs of wear or damage to the trigger guard and associated components.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or removing the trigger guard.
- Use the trigger guard only with compatible Remington 700 and Remington 700 pattern actions.
- Do not modify the trigger guard or its components as this may compromise safety.
- When using the magazine release lever, ensure your fingers are clear of the trigger area.
- Be aware of your surroundings and ensure a safe shooting environment when using the product.

Instructions for Installation and Usage

Installation Steps

1. **Preparation:** Before beginning installation, ensure you have the following tools:

- Screwdriver
- Allen wrench (if required)
- Cleaning cloth

2. **Remove Existing Trigger Guard:**

- Ensure the firearm is unloaded.
- Remove any screws or fasteners securing the existing trigger guard.
- Carefully detach the trigger guard from the firearm.

3. **Install the M5 Enhanced Trigger Guard:**

- Align the new trigger guard with the mounting holes on the firearm.
- Insert screws or fasteners provided with the product.
- Tighten securely, but do not overtighten to avoid damaging the guard.

4. **Attach the Magazine:**

- Insert the provided 5 round AI AICS magazine into the magazine well.
- Ensure it clicks into place and is secure.

5. Final Check:

- Inspect the installation for any loose components.
- Ensure the magazine release lever functions correctly.

Usage Guidelines

- Always follow safe shooting practices when using your firearm equipped with the M5 Enhanced Trigger Guard.
- Regularly check the magazine for proper function and ensure it is clean and free from debris.
- Familiarize yourself with the magazine release lever and practice using it in a safe environment.

Disposal Instructions

- Dispose of packaging materials responsibly by recycling where possible.
- If the product is no longer in use or is damaged beyond repair, follow local regulations for the disposal of firearm accessories.
- Do not throw the product in regular household waste; check for specific disposal guidelines for firearm-related products in your area.

Contact Information for Further Support

For any questions or concerns regarding the REMINGTON 700 SA ENHANCED M5 BDM TRIGGERGUARD, please refer to the manufacturer's website or customer service resources. Ensure you have the product model and any relevant information ready for assistance.

By adhering to these guidelines, you can ensure a safe and enjoyable experience with your new trigger guard. Thank you for your attention to safety!
