

REMINGTON 700 LA M5 BDM TRIGGERGUARD W/5RD DETACHABLE MAG

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

The Badger Ordnance M5 DBM Long Action Standard Triggerguard is a heavy-duty guard similar to our M4 but allows quick loading/unloading via a 5 round MAGPUL PMAG (included). It utilizes a time proven paddle-style mag release for a reliable drop-free system. The M5 BDM includes Grade 5 TORX screws and bedding pillars to guarantee exact fit and perfect function. Machined from Aircraft Grade Aluminum and Mil Spec Anodized Hard Coat Type III finished. Compatible with cartridges built on a 0.470" case head such as .30-06 Springfield, .25-06 Remington, .270 Winchester, .280 Remington, 8mm-06, and others. Accepts a cartridge overall length of up to 3.50". For Remington 700 and Remington 700 pattern actions only. Inletting required.

REMINGTON 700 LA M5 BDM TRIGGERGUARD

Safety Instructions

Introduction

Thank you for choosing the REMINGTON 700 LA M5 BDM TRIGGERGUARD. This product is designed for use with Remington 700 and Remington 700 pattern actions. It is important to read and understand these safety instructions before using the product to ensure safe operation and compliance with EU safety regulations.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle firearms and their components responsibly and with care.
- Store the product in a safe location, out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the trigger guard.
- Use only compatible cartridges with a case head of 0.470" and an overall length of up to 3.50".
- Ensure that the installation area is clean and free from debris to avoid interference with the trigger guard's function.
- Do not modify the trigger guard or firearm in any way that could compromise safety or performance.
- Always follow safe handling practices when using firearms, including wearing appropriate eye and ear protection.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather all necessary tools, including a Grade 5 TORX screwdriver (included).
- Verify that you have the correct components for installation.

2. Installation Steps

- Remove the existing trigger guard from the firearm if applicable.
- Align the M5 BDM trigger guard with the mounting points on the firearm.
- Secure the trigger guard using the provided TORX screws. Ensure they are tightened to the manufacturer's specifications.
- Check that the trigger guard is securely attached and does not move.

3. Loading and Unloading

- To load, insert the MAGPUL PMAG into the trigger guard until it clicks into place.
- To unload, press the paddlestyle mag release and remove the magazine.
- Always ensure that the firearm is pointed in a safe direction when loading or unloading.

4. PostInstallation Check

- After installation, perform a function check to ensure that the trigger guard operates correctly.

- Verify that the magazine release functions properly and that the trigger guard is securely attached.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product becomes damaged beyond repair, dispose of it in a manner that prevents it from being used improperly.
- Check with local waste management authorities for proper disposal methods for metal and plastic components.

Contact Information for Further Support

For any questions or concerns regarding the REMINGTON 700 LA M5 BDM TRIGGERGUARD, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your REMINGTON 700 LA M5 BDM TRIGGERGUARD. Thank you for prioritizing safety in your firearm handling and usage.
