# FN 509 Disassembly Fixture User Safety Instructions

## Introduction

Thank you for choosing the FN 509 Disassembly Fixture from Apex Tactical Specialties Inc. This tool is designed to assist you in safely disassembling the FN 509 or FNS Compact pistol frame. Proper use of this fixture will enhance your experience and ensure safety during your maintenance tasks.

## General Safety Guidelines

To ensure your safety while using the FN 509 Disassembly Fixture, please follow these general guidelines:

- Always use this tool on a solid surface, such as a vise anvil, concrete floor, or a stable workbench.
- Do not use the fixture on unstable surfaces, such as kitchen tables or countertops.
- Keep the work area clean and free from distractions to maintain focus.
- Wear safety glasses to protect your eyes from any potential debris.
- Keep tools and small parts out of reach of children and pets.
- Always handle firearms with care and follow the manufacturer's safety guidelines.

## Specific Safety Precautions for Use

When using the FN 509 Disassembly Fixture, please observe the following safety precautions:

- Ensure you are familiar with the FN 509 or FNS Compact pistol before attempting disassembly.
- Make sure the firearm is unloaded before using the fixture.
- Do not use the fixture for FNS or FNS Longslide models, or FN XSeries pistols, as it is not designed for these firearms.
- Use a small hammer (6 to 10 oz recommended) and a common flat blade screwdriver to assist with disassembly.
- Use a 3/32" pin punch, no longer than 1", to prevent deflection during use.
- Always check that all components are securely in place before attempting disassembly.

## Instructions for Installation and Usage

Follow these steps to properly use the FN 509 Disassembly Fixture:

### 1. Preparation:

- Gather all necessary tools: disassembly lower jig plate, FN 509 & FNSC upper jig plate, alignment screw, polymer spacer, 1/8" fixture pins, small hammer, screwdriver, and pin punch.
- Ensure your workspace is clear and stable.

### 2. Setup:

- Place the disassembly lower jig plate on a solid surface.
- Secure the FN 509 or FNSC pistol frame in the upper jig plate.
- Align the frame with the lower jig plate, ensuring a snug fit.

### 3. Disassembly:

- Insert the alignment screw into the designated hole to stabilize the frame.
- Use the pin punch to carefully remove the unlocking block pin.
- Follow the remaining disassembly steps as per the firearm's manual.

#### 4. Reassembly:

- To reassemble, reverse the disassembly steps, ensuring all pins and components are properly secured.

## Disposal Instructions

When disposing of the FN 509 Disassembly Fixture or any of its components, please adhere to the following guidelines:

- Dispose of plastic components in accordance with local recycling regulations.
- For any metal parts, check with local waste management for proper disposal methods.
- Ensure that any hazardous materials are disposed of in compliance with environmental regulations.

## Contact Information for Further Support

For additional support or inquiries regarding the FN 509 Disassembly Fixture, please refer to the manufacturer's website or contact their customer service team. Ensure you have your product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the FN 509 Disassembly Fixture. Always prioritize safety and adhere to all guidelines for optimal performance.
