Safety Instructions for SPRINGFIELD HELLCAT THUMB SAFETY PLUNGER & SPRING

Introduction

Thank you for choosing the Springfield Hellcat Thumb Safety Plunger & Spring by Apex Tactical Specialties Inc. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that all safety components are installed correctly to prevent accidental discharge.
- Always handle firearms with care and consider them loaded until proven otherwise.
- Keep this product out of reach of children and unauthorized users.
- Regularly check for wear and tear on safety components and replace them as necessary.
- Follow all local laws and regulations regarding firearm use and safety.

Specific Safety Precautions for Use

- Only use the Thumb Safety Plunger and Spring with Springfield Hellcat pistols.
- Do not attempt to modify the plunger or spring as this may lead to malfunction.
- Always wear appropriate eye protection when handling firearms.
- Ensure the firearm is unloaded before beginning any installation or maintenance work.
- Do not use this product if it shows signs of damage or wear.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation, including a small screwdriver and a cleaning cloth.

2. Installation Steps

- Remove the existing thumb safety components from the Springfield Hellcat pistol.
- Clean the area where the new Thumb Safety Plunger and Spring will be installed.
- Insert the new Thumb Safety Plunger into its designated slot.
- Place the Thumb Safety Plunger Spring into position, ensuring it is seated correctly.
- Reassemble any parts removed during the installation process.

3. PostInstallation Checks

- Perform a function check to ensure the thumb safety operates correctly.
- Verify that the thumb safety engages and disengages smoothly.
- If any issues arise, consult a qualified gunsmith for assistance.

Disposal Instructions

- Dispose of any old or damaged safety components in accordance with local regulations.
- Do not throw away in regular household waste; consider recycling options if available.

Contact Information for Further Support

For any safety inquiries regarding the Springfield Hellcat Thumb Safety Plunger & Spring, please refer to the manufacturer's website or contact their customer support directly.

By following these instructions and guidelines, you can ensure the safe and effective use of the Springfield Hellcat Thumb Safety Plunger & Spring. Thank you for prioritizing safety in your firearm handling practices.
