

CZ P10 ACTION ENHANCEMENT KITS - APEX TACTICAL SPECIALTIES INC CZ P10 ACTION ENHANCEMENT KIT RED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Action Enhancement Kit for CZ P-10 pistols features the Apex Action Enhancement Trigger paired with an Apex Performance Disconnecter and an Apex Slide Cover Plate. The kit is a direct drop-in replacement of the factory polymer trigger, disconnecter and slide cover plate, and provides a reduction in pull weight from sub-4.0 lbs. (w/ Apex Performance Disconnecter) to 5.5 lbs. (w/ CZ Factory Disconnecter). Using the CZ Factory Disconnecter provides a more defined trigger break at striker release (approx. 5.5 lbs.), while using the Apex Performance Disconnecter provides light, smooth take-up and linear rolling trigger break at striker release (approx. sub-4.0 lbs.). NOTE: The Apex Action Enhancement Trigger REQUIRES the use of the Apex Slide Cover Plate. Reduces trigger pull to approx. sub 4.0 lbs. (using full Apex Enhancement Kit) Maintains factory trigger pull weight of approx. 5.5 lbs. (using Factory Disconnecter, Apex Trigger and Slide Cover Plate) Easy to install Direct drop-in replacement of factory components Maintains factory safety values Applicable To What Guns: For use in the CZ P-10 S, C and F 9mm models only. NOT compatible with the CZ P-10 in .45ACP, or with the CZ P-10 Micro For best performance use second generation trigger bar marked "19" or later

CZ P10 Action Enhancement Kit Safety Instructions

Introduction

Thank you for choosing the CZ P10 Action Enhancement Kit from Apex Tactical Specialties Inc. This kit is designed to enhance the performance of your CZ P10 pistols. It is important to read and understand these safety instructions to ensure proper use and installation, promoting safety for yourself and others.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction when handling.
- Keep your finger off the trigger until you are ready to shoot.
- Store this kit and your firearm securely, away from children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect your firearm and the installed components for wear and damage.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- This kit is specifically designed for the CZ P10 S, C, and F 9mm models only.
- Do not attempt to use this kit with the CZ P10 in .45ACP or the CZ P10 Micro.
- The Apex Action Enhancement Trigger requires the use of the Apex Slide Cover Plate for safe operation.
- Using the factory disconnecter will maintain a trigger pull weight of approximately 5.5 lbs. Ensure that this is appropriate for your shooting needs.
- Using the Apex Performance Disconnecter will reduce the trigger pull weight to approximately sub4.0 lbs. Ensure you are comfortable with this change before use.
- Always check for proper installation before using your firearm after modification.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before beginning installation.
- Gather necessary tools: a punch tool, a hammer, and a small flathead screwdriver.

2. Installation Steps:

- Remove the slide from the frame of the CZ P10 pistol.
- Carefully remove the factory polymer trigger, disconnecter, and slide cover plate.
- Install the Apex Action Enhancement Trigger in place of the factory trigger.
- Insert the Apex Performance Disconnecter or the factory disconnecter as per your preference.
- Attach the Apex Slide Cover Plate securely.
- Reassemble the slide onto the frame.

3. PostInstallation Check:

- Conduct a function check to ensure all components are correctly installed and functioning.
- Verify that the trigger operates smoothly and safely.
- If any issues arise during the function check, do not use the firearm until the problem is resolved.

4. Usage:

- Familiarize yourself with the new trigger pull weight.
- Practice safe handling and shooting techniques.

Disposal Instructions

- Dispose of any unused or damaged components responsibly.
- Follow local regulations for the disposal of firearm parts.
- If you are unsure about disposal methods, consult local authorities or a qualified professional.

Contact Information for Further Support

For safety inquiries or additional support, please refer to your local regulations or consult with a qualified firearms expert.

Thank you for prioritizing safety and compliance while using the CZ P10 Action Enhancement Kit. Enjoy enhanced performance and safe shooting!
