

FAST LPVO OFFSET OPTIC BASE BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The FAST series of optic mounts provides end users with a quicker sight picture than standard height mounts. A taller centerline height provides faster/easier reticle acquisition in all conditions, but especially while wearing tactical gear, night vision goggles, gas masks, helmets, and plate carriers. FAST mounts allow for more rapid visual processing of the battlefield by promoting a heads-up posture. Machined 7075-T6 / Type III Hardcoat Anodized. The FAST LPVO Offset Optic Base is compatible with the FAST LPVO Mount.

FAST LPVO Offset Optic Base Safety Instruction Guide

Introduction

Thank you for choosing the FAST LPVO Offset Optic Base. This product is designed to enhance your sighting experience by providing a higher centerline height for quicker reticle acquisition. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the FAST LPVO Offset Optic Base in compliance with all safety guidelines.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check the EU Safety Gate platform regularly.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact for guidance.
- **Rapid Alerts:** Be aware of any updates regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Use Properly:** Ensure the optic base is installed correctly to avoid accidents or injuries.
- **Inspect Regularly:** Check the mount and optic for any signs of wear or damage before each use.
- **Avoid Modifications:** Do not modify or alter the optic base in any way, as this may compromise safety.
- **Wear Protective Gear:** When using this product in tactical situations, always wear appropriate protective gear.
- **Follow Manufacturer Guidelines:** Adhere strictly to the instructions provided by the manufacturer for optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded before installation.
- Locate the mounting points on your firearm where the FAST LPVO Offset Optic Base will be attached.
- Align the optic base with the mounting points and secure it using the provided hardware.
- Tighten the screws to the recommended torque specifications to ensure stability.

2. Usage:

- Adjust the optic to your preferred settings before heading into the field.
- Maintain a heads-up posture to promote rapid visual processing while using the optic.
- Regularly practice with the optic in various conditions to become familiar with its operation.

Disposal Instructions

- **Environmental Considerations:** Dispose of the FAST LPVO Offset Optic Base in accordance with local regulations for electronic waste.
- **Recycling:** If possible, recycle components of the optic base to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the FAST LPVO Offset Optic Base, please refer to the manufacturer's contact details or consult the retailer from whom you purchased the product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your enhanced shooting experience with the FAST LPVO Offset Optic Base!
