

# FAST LPVO OFFSET OPTIC ADAPTER PLATE - UNITY TACTICAL OFFSET FAST ADAPTER FOR TRIJICON RMR BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The FAST series of optic mounts provides end users with a quicker sight picture than standard height mounts. A taller centerline height provides faster/easier reticle acquisition in all conditions, but especially while wearing tactical gear, night vision goggles, gas masks, helmets, and plate carriers. FAST mounts allow for more rapid visual processing of the battlefield by promoting a heads-up posture. Machined 7075-T6 / Type III Hardcoat Anodized. The FAST LPVO Offset Optic Adapter Plate is compatible with the FAST LPVO Mount.

# FAST LPVO Offset Optic Adapter Plate Safety Instructions

## Introduction

Thank you for choosing the FAST LPVO Offset Optic Adapter Plate from UNITY TACTICAL. This product is designed to enhance your optical experience by providing a quicker sight picture than standard height mounts. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always inspect the product for any visible damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of optical equipment.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- When wearing tactical gear, night vision goggles, or helmets, ensure that the adapter plate is securely mounted to avoid any dislodgment.
- Be cautious in lowlight conditions; ensure that your sight picture is clear before engaging in any activities.
- Avoid using the product in extreme weather conditions without proper precautions.
- Ensure that the adapter plate is compatible with your specific optic and firearm to prevent accidents.
- Regularly check the mounting screws and components for tightness and integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the following tools: a torque wrench and the appropriate screwdriver.
- Place the FAST LPVO Offset Optic Adapter Plate on the designated mounting area of your firearm.
- Align the adapter plate with the mounting holes on the firearm.
- Secure the adapter plate using the provided screws. Tighten to the manufacturer's recommended torque settings.
- Doublecheck that the adapter plate is securely fastened before attaching your optic.

### 2. Usage:

- When using the optic, ensure that you maintain a stable shooting position.
- Familiarize yourself with the reticle and sight picture provided by the FAST LPVO Offset Optic Adapter Plate.
- Practice using the optic in a safe environment before engaging in live situations.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact the manufacturer directly. Ensure that you have the product details ready for reference.

By following these guidelines, you can ensure a safe and effective experience with your FAST LPVO Offset Optic Adapter Plate. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important safety instructions.
