

# FAST LPVO OFFSET OPTIC ADAPTER PLATE - UNITY TACTICAL OFFSET FAST ADAPTER FOR AIMPOINT ACRO BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The FAST series of optic mounts provides end users with a quicker sight picture than standard height mounts. A taller centerline height provides faster/easier reticle acquisition in all conditions, but especially while wearing tactical gear, night vision goggles, gas masks, helmets, and plate carriers. FAST mounts allow for more rapid visual processing of the battlefield by promoting a heads-up posture. Machined 7075-T6 / Type III Hardcoat Anodized. The FAST LPVO Offset Optic Adapter Plate is compatible with the FAST LPVO Mount.

## Attributes

# FAST LPVO Offset Optic Adapter Plate Safety Instruction Guide

## Introduction

Thank you for purchasing the FAST LPVO Offset Optic Adapter Plate from UNITY TACTICAL. This guide provides essential safety information and instructions to ensure the safe use and installation of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as an optic adapter plate for the FAST LPVO Mount.
- Inspect the adapter plate before each use for any signs of damage or wear. Do not use if damaged.
- Keep the adapter plate out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the use of tactical gear and optics.

## Specific Safety Precautions for Use

- Avoid using the adapter plate in extreme environmental conditions, such as excessive heat or moisture, which may affect its performance.
- Do not modify the adapter plate in any way, as this may compromise its structural integrity and safety.
- Ensure that the adapter plate is securely attached to the FAST LPVO Mount before use to prevent accidental detachment.
- When using night vision goggles or other tactical gear, ensure that the adapter plate does not obstruct your field of vision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the necessary tools for installation, including a torque wrench.
- Align the FAST LPVO Offset Optic Adapter Plate with the mounting points on the FAST LPVO Mount.
- Securely fasten the adapter plate using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck the attachment to ensure it is secure before proceeding to use the optic.

### 2. Usage:

- When aiming, ensure that your head is in a stable and comfortable position to maintain a clear sight picture.
- Practice using the adapter plate in a safe environment to familiarize yourself with its operation.
- Regularly check the stability of the adapter plate during use, especially after heavy movement or tactical maneuvers.

## Disposal Instructions

- Dispose of the FAST LPVO Offset Optic Adapter Plate responsibly, following local regulations for electronic and metal waste.
- If the product is no longer usable, consider recycling it at designated facilities to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the FAST LPVO Offset Optic Adapter Plate, please refer to the contact information provided by the retailer or manufacturer where you purchased the product.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your FAST LPVO Offset Optic Adapter Plate. Always prioritize safety and remain informed about the proper handling and maintenance of your equipment. Thank you for choosing UNITY TACTICAL.
