

V4 MIL/LEO S&W M&P OPTIC MOUNTING PLATE - C&H PRECISION WEAPONS SIG SAUER ROME 01 PRO MOUNTING PLATE FOR S&W M2.0 BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

A Duty-Ready Optics Mount Designed for Your Red-Dot-Ready Smith & Wesson Pistol

RDS-equipped handguns are here to stay, and you can enhance your red-dot-equipped Smith & Wesson handgun by adding a C&H Precision V4 MIL/LEO Optics Mounting Plate to your gun. This dedicated design is made to enhance the strength of this critical connection point between your optic and handgun, giving you a more durable weapons platform. Each C&H Precision V4 MIL/LEO Optic Mounting Plate designed for use on Smith & Wesson pistols is machined from 6061 aluminum and treated with a hard-anodized finish. The plates are equipped with two recoil posts, and all of the company's V4 plates come with replaceable T-posts made from stainless steel. The plates are secured with Torx head screws designed for the best possible retention. Each plate fits Smith & Wesson M1.0 and M2.0 pistols and will accommodate the following optics: Trijicon RMR, Trijicon SRO, Holosun 407C, Holosun 407C V2, Holosun 507C, Holosun 507C V2, Holosun 508T, Holosun 508T V2.

V4 MIL/LEO S&W M&P Optic Mounting Plate Safety Instruction Guide

Introduction

Thank you for choosing the V4 MIL/LEO S&W M&P Optic Mounting Plate by C&H Precision Weapons. This guide provides essential safety instructions and information to ensure the safe use and installation of your optic mounting plate. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** This product is designed to enhance the performance of your Smith & Wesson handgun. Ensure that you follow all safety instructions to prevent accidents or injuries.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Please stay informed about any safety updates regarding this product.
- **Online Shopping:** When purchasing this product online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please contact the manufacturer or the retailer from whom you purchased the product.
- **Rapid Alerts:** Stay updated on any unsafe product alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the V4 MIL/LEO Optic Mounting Plate is compatible with your specific Smith & Wesson model (M1.0 or M2.0) and the optics you intend to use.
- **Inspection:** Before installation, inspect the mounting plate and all components for any signs of damage or defects. Do not use if any parts appear damaged.
- **Secure Installation:** Ensure that the mounting plate is securely installed on your handgun to prevent it from loosening during use.
- **Proper Handling:** Always handle your handgun with care. Follow all standard firearm safety practices.
- **Maintenance:** Regularly check the mounting plate and screws for tightness and wear. Replace any worn components immediately.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a Torx screwdriver.
- Ensure that your handgun is unloaded before beginning installation.

2. Installation Steps:

- Remove any existing optics from your handgun.
- Align the C&H Precision V4 MIL/LEO Optic Mounting Plate with the mounting holes on your Smith & Wesson handgun.
- Insert the provided Torx head screws into the mounting holes and tighten securely. Do not overtighten, as this may damage the plate or the handgun.
- Attach your chosen optic (e.g., Trijicon RMR, Holosun 507C) to the mounting plate according to the optic manufacturer's instructions.

3. Usage:

- After installation, check the stability of the optic and mounting plate before use.
- Always practice safe handling and shooting practices while using your firearm.

Disposal Instructions

- Dispose of the mounting plate and any packaging materials in accordance with local regulations.
- Do not dispose of electronics or batteries in regular waste. Follow local guidelines for electronic waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the V4 MIL/LEO S&W M&P Optic Mounting Plate, please reach out to the retailer or manufacturer from whom you purchased the product. They will provide the necessary support and assistance.

Thank you for prioritizing safety while using your V4 MIL/LEO S&W M&P Optic Mounting Plate. Enjoy your enhanced shooting experience!
