

AR-15 EXTENDED FORWARD ASSIST - STRIKE INDUSTRIES AR-15 EXTENDED FORWARD ASSIST LIGHTWEIGHT LOW PROFILE BLK

[Rifle Parts](#) > [Receiver Parts](#) > [Forward Assist Parts](#)

The Strike Industries AR Extended Forward Assist gives you a larger surface area to operate and your AR a unique appearance. The L-shaped forward assist is textured for positive feel and manipulation of your AR for enhanced ergonomic control. This SI Extended Forward Assist is made of lightweight 6061-T6 aluminum for those looking to retain the functionality of a forward assist, while seeking weight savings wherever they can. The forward assist pawl is constructed of tool steel to ensure positive engagement of the forward assist ratchets on compatible bolt carriers and maintain long service life. The Strike Industries Extended Forward Assist is a perfect choice on a new AR build or replace your current forward assist with some function and SI style. L-shaped extended button Textured for positive feel and manipulation Low drag / no snag design Available in anodized Black, Red, Blue or FDE colors Lightweight 6061-T6 aluminum button, tool steel pawl

Safety Instruction Guide for the AR15 Extended Forward Assist

Introduction

Thank you for choosing the Strike Industries AR15 Extended Forward Assist. This product is designed to enhance the functionality and aesthetics of your AR15 while ensuring safe operation. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Ensure that the product is installed correctly to avoid any operational issues.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or incidents to the authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or manipulating the forward assist.
- Use the forward assist only with compatible bolt carriers.
- Avoid using excessive force when operating the forward assist to prevent damage.
- Do not modify the forward assist in any way that could compromise its integrity or safety.
- Ensure that your hands are dry and clean when handling the forward assist to maintain a proper grip.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if applicable).

2. Installation

- Remove the existing forward assist from your AR15 if applicable.
- Align the Strike Industries AR15 Extended Forward Assist with the designated slot on the upper receiver.
- Securely fasten the forward assist in place, ensuring it is properly seated.
- Verify that the forward assist operates smoothly by pressing it to engage and disengage.

3. Usage

- When operating the forward assist, apply gentle pressure to ensure proper engagement with the bolt carrier.
- Use a firm but controlled motion to avoid any accidental damage to the components.
- Regularly check the functionality of the forward assist during firearm maintenance.

Disposal Instructions

- Dispose of the AR15 Extended Forward Assist in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Strike Industries AR15 Extended Forward Assist, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your enhanced AR15 experience!
