

LINK RAIL COVER SYSTEM - STRIKE INDUSTRIES LINK RAIL COVER SYSTEM 5-PIECES BLACK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The Strike Industries LINK Cover adds a positive tactile feeling and utilizes the Strike Industries patented LINK system which allows mounting onto both M-LOK and KeyMod compatible devices. Designed to be low-profile and used in any orientation, the contoured covers add ergonomic textured surfaces to your handguard. Made of durable and lightweight polymer, rail covers are also a quick and affordable upgrade to mitigate any heat transfer between the barrel and the shooters hands. Included are 5-pcs per pack to easily configure the Strike Industries LINK Cover to customize your specific comfort and desired setup. Patented LINK mounting system (M-LOK and KeyMod compatible) Positive tactile feeling Minimizes heat transfer Increased comfort Protection against sharp rail slot edges Made from durable and lightweight polymer

Safety Instruction Guide for the LINK RAIL COVER SYSTEM

Introduction

Thank you for choosing the LINK Rail Cover System by Strike Industries. This product is designed to enhance your shooting experience by providing comfort and protection while using your firearm. To ensure safe and effective use of the LINK Rail Cover System, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting any accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for wear and tear on the rail covers and replace them if damaged.
- Use the product only as intended and in accordance with the manufacturer's instructions.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the rail covers are securely attached to the rail system to prevent them from coming loose during use.
- Be cautious of sharp edges on the rail slots when installing or removing the covers.
- Avoid exposing the product to extreme temperatures, as this may affect its performance and durability.
- Do not use the product if you notice any signs of damage or if it does not fit securely on your firearm's rail system.

Instructions for Installation and Usage

1. Installation:

- Identify the MLOK or KeyMod slots on your handguard where you wish to install the LINK Rail Covers.
- Align the cover with the selected slot and press firmly until it clicks into place.
- Ensure that the cover is securely attached by gently pulling on it. If it moves, reattach it properly.
- Repeat the process for all five pieces included in the pack as per your desired configuration.

2. Usage:

- The LINK Rail Cover can be used in any orientation to suit your shooting style.
- The contoured design provides ergonomic support and a positive tactile feeling while handling your firearm.
- Regularly check the covers during use to ensure they remain securely attached and free from any debris.

Disposal Instructions

- When disposing of the LINK Rail Cover System, please do so in accordance with local regulations for plastic waste.
- Do not burn the product, as it may release harmful fumes.
- If the product is damaged or worn out, dispose of it responsibly to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or concerns regarding the LINK Rail Cover System, please refer to the contact information provided by the manufacturer. It is important to reach out to them for assistance with product recalls or safety updates.

By following these safety instructions, you can ensure a safer experience with your LINK Rail Cover System. Thank you for your attention to these important guidelines.
