An Easy Way to Carry Your Shooting Gear

When you're shooting, there's nothing like having all your essential gear on hand, but otherwise, it can be a pain to carry around. Armageddon Gear is making it easier for you with a new design out from the company's pro staffer, Francis Colon. This Armageddon Gear Tripod Caddy gives you an easy way to carry all of your shooting essentials. Each Armageddon Gear Tripod Caddy includes spots for pretty much everything, including your Kestrel, data boards, pens, match book and more. Heck, you can even keep magazines and water bottles on board for your down time. As an added benefit, this tripod caddy has a fold-down workspace that gives you a place to record all your match data. This is a must-have piece of gear not only for shooters but for everyone involved in the shooting sports. The Armageddon Gear Tripod Caddy can be had in Multicam and Gray colors, and it weighs just 1 pound, 3 ounces. Of course, like all of the company's gear, it's made right here in the USA! Tripod Not Included.

Introduction

Thank you for choosing the TRIPOD CADDY ARMAGEDDON GEAR. This product is designed to provide you with a convenient way to carry your shooting essentials. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide. Your safety and satisfaction are our top priorities.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the Tripod Caddy for any wear or damage before use.
- Keep the Tripod Caddy out of reach of children when not in use.
- Use the product in accordance with local laws and regulations regarding shooting sports.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not overload the Tripod Caddy beyond its capacity, as this may compromise its stability and safety.
- Avoid exposing the Tripod Caddy to extreme temperatures or harsh weather conditions, as this may damage the materials.
- When using the folddown workspace, ensure it is securely locked in place before writing or placing items on it.
- Keep sharp objects, such as pens or tools, away from the edges of the Tripod Caddy to prevent accidental injury.
- Always secure your equipment properly within the Tripod Caddy to avoid shifting or falling during transport.

Instructions for Installation and Usage

1. Unpacking the Tripod Caddy

- Carefully remove the Tripod Caddy from its packaging.
- Inspect the product for any visible damage or missing components.

2. Setting Up the Tripod Caddy

- Place the Tripod Caddy on a flat and stable surface.
- Ensure that all compartments are empty before loading your gear.

3. Loading Your Gear

- Organize your shooting essentials, such as the Kestrel, data boards, pens, and magazines, in the designated spots within the Tripod Caddy.
- If using water bottles, ensure they are securely placed to prevent spills.

4. Using the FoldDown Workspace

- Gently pull down the workspace until it is fully extended.
- Ensure it is locked in place before use.
- After use, lift the workspace back up until it clicks into place securely.

5. Transporting the Tripod Caddy

- When carrying the Tripod Caddy, hold it by the handle to maintain balance and control.
- Avoid swinging or dropping the Tripod Caddy during transport.

Disposal Instructions

- Dispose of the Tripod Caddy in accordance with local regulations regarding waste disposal.
- If the product is no longer usable, consider recycling materials where possible.
- Do not dispose of the Tripod Caddy in regular household waste if it contains hazardous materials.
