

RIGID TQ CASE FOR C-A-T WITH TEK-LOK - ELEVEN 10 RIGID CAT GEN 7 CASE W/TEK-LOK BLACK

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Supplies](#)

RIGID TQ CASE FOR C-A-T WITH TEK-LOK The Eleven 10® RIGID TQ Case® for the C-A-T® Gen 7 is a hard-sided tourniquet case designed to give you easy access to your tourniquet when seconds matter. It can be worn on your duty belt, MOLLE/PALS compatible vest, or in the accessory position on your Safariland® drop leg holster. The RIGID TQ Case® holds your tourniquet securely in place utilizing friction, so there's no straps, buckles or flaps to deal with. It offers true one-handed gross motor skills deployment of the tourniquet even when your hands are bloody or wet. Just grab the exposed portion of the tourniquet and with a swift pull, it releases. The injection molded RIGID TQ Case® offers numerous mounting options and ride adjustment. It's compatible with Blade-Tech, Safariland®, and Tactical Tailor mounting solutions. Many of the mounting solutions can be mounted in the vertical or horizontal positions. Features: Keeps your tourniquet close at hand for rapid deployment Holds the C-A-T® Tourniquet (Gen 7 and Older Generations) utilizing friction Designed to allow more contact with the tourniquet when deploying Injection Molded case to stand up to rugged LE/MIL usage Drainage hole at the bottom of the case Medical identifying PVC cross patch included Multiple mounting positions to adjust the right height (can be mounted vertically, horizontally, canted or inverted) Police Duty Belt (Blade-Tech TEK-LOK Belt Attachment fits up to a 2.25" belt) Can be mounted to a Safariland® Drop Leg Shroud in the accessory position (mounting hardware sold separately) NOTES: Utilize the included Vibra-tite to secure the hardware in place once the desired configuration is obtained. Instructions are included. All of Eleven 10®'s products are designed, manufactured and assembled in the USA.

Rigid TQ Case for CAT with TEKLOK Safety Instruction Guide

Introduction

Thank you for choosing the Eleven 10® Rigid TQ Case® for the CAT® Gen 7. This hardsided tourniquet case is designed to provide quick access to your tourniquet in critical situations. This guide outlines essential safety instructions to ensure safe use, installation, and disposal of the product. Please read this guide carefully to understand how to use the Rigid TQ Case® safely and effectively.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a tourniquet case.
- Regularly inspect the case for any signs of wear or damage.
- Keep the case and its contents out of reach of children and vulnerable individuals.
- In case of any malfunction or damage, discontinue use immediately and contact the manufacturer.
- Always follow local regulations and guidelines regarding the use of medical equipment.

Specific Safety Precautions for Use

- Ensure that the tourniquet is securely held in the case to prevent accidental release.
- Avoid exposing the case to extreme temperatures, moisture, or harsh chemicals that may compromise its integrity.
- Use the case only with compatible tourniquets, specifically the CAT® Gen 7 or older generations.
- When deploying the tourniquet, do so in a safe environment to avoid injury to yourself or others.
- If the case becomes damaged or compromised, replace it immediately to ensure continued safety and effectiveness.

Instructions for Installation and Usage

Installation

- Choose a suitable mounting location on your duty belt, MOLLE/PALS compatible vest, or Safariland® drop leg holster.
- Use the included mounting hardware to secure the Rigid TQ Case® in place.
- Ensure that the mounting hardware is tightened using the included Vibratite to prevent loosening during use.
- Confirm that the case is securely attached and does not move or shift when pulled.

Usage

- To deploy the tourniquet, locate the exposed portion of the tourniquet in the case.
- Grasp the exposed portion firmly and pull swiftly to release the tourniquet from the case.
- Follow the manufacturer's instructions for applying the tourniquet effectively in an emergency.
- After use, inspect the tourniquet for any damage before restoring it in the case.

Disposal Instructions

- Dispose of the Rigid TQ Case® in accordance with local waste management regulations.
- If the case is damaged beyond repair, ensure it is disposed of safely to prevent accidental use.
- Recycle materials where applicable, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Rigid TQ Case®, please reach out to the manufacturer or authorized distributor. Ensure to have your product details on hand for assistance.

Conclusion

Your safety and the effectiveness of the Rigid TQ Case® depend on proper usage and maintenance. By following these guidelines, you can ensure that you are prepared to respond effectively in emergency situations. Thank you for your attention to safety, and we wish you the best in your preparedness efforts.
