

# **RIGID TQ CASE JACKET - ELEVEN 10 RIGID CAT GEN 7 CASE JACKET, BLACK**

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Supplies](#)

The Eleven 10® RIGID TQ Case® Jacket v2 for C-A-T® or SOF®TT/SOF®TT-W is an optional accessory that when installed, completely covers your tourniquet to protect it from the elements. It also helps provide a clean, uniform look. The Jacket integrates with the existing hardware on your RIGID's rear mounting face, and the included snap uses an existing hole on the front of the Cross Front RIGID models. When deployed, the Jacket ""breaks away"" so there is no snagging on your tourniquet. The updated version of the Jacket is made with Blue Force Gear's ULTRACOMP® material. ULTRACOMP® combines the properties of a rubber based laminate - resistance to tear, abrasion, water, bacteria and fungus - and added a Cordura® fabric facing for color or pattern and reduced IR signature. Features: ULTRACOMP® One-Piece Construction Lightweight construction adds little weight to your RIGID TQ Case® Velcro® Loop square for a medical identifier patch Integrates into the Cross Front RIGID TQ Case® with no case modifications Completely covers the tourniquet Break-Away design allows smooth removal of your tourniquet with no snagging Comes with all necessary hardware Does not include the RIGID TQ Case® NOTE: Will not work with the Slick Front RIGID TQ Case® or the legacy Kydex TQ Cases All of Eleven 10®'s products are designed, manufactured and assembled in the USA.

# Safety Instruction Guide for the RIGID TQ Case Jacket

## Introduction

Thank you for choosing the Eleven 10® RIGID TQ Case® Jacket v2. This product is designed to protect your tourniquet from environmental elements while providing a clean, uniform appearance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the RIGID TQ Case Jacket by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any product recalls through official channels. If necessary, remedies will be provided for dangerous products.
- **Online Shopping:** If purchasing online, ensure that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EU-based contact point.
- **Rapid Alerts:** Be aware of updates on unsafe products via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the tourniquet is properly secured within the case jacket before deployment.
- Regularly inspect the RIGID TQ Case Jacket for signs of wear or damage.
- Do not use the RIGID TQ Case Jacket if it is torn, frayed, or shows any signs of degradation.
- Avoid exposing the product to extreme temperatures or harsh chemicals that could compromise its integrity.
- Ensure that the breakaway feature is functioning properly to prevent snagging during use.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the RIGID TQ Case Jacket from its packaging.
- Align the Jacket with the rear mounting face of your RIGID TQ Case.
- Utilize the included snap to attach the Jacket to the existing hole on the front of the Cross Front RIGID models.
- Ensure that the Jacket is securely fastened and that there are no loose ends.

### 2. Usage:

- When ready to deploy, pull the Jacket to activate the breakaway feature.
- Ensure that the tourniquet is easily accessible and can be removed without obstruction.
- After use, inspect the tourniquet and Jacket for any damage.

## Disposal Instructions

- Dispose of the RIGID TQ Case Jacket in accordance with local regulations for textile products.
- If the product is damaged or no longer needed, consider recycling it where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the RIGID TQ Case Jacket, please reach out to the relevant support channels provided by your retailer or the manufacturer.

By following these guidelines, you can ensure the safe and effective use of the Eleven 10® RIGID TQ Case® Jacket v2. Thank you for your attention to safety.
