

RIGID TQ CASE JACKET - ELEVEN 10 RIGID CAT GEN 7 CASE JACKET, MULTICAM

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Supplies](#)

The Eleven 10® RIGID TQ Case® Jacket v2 for C-A-T® or SOF®TT/SOF®TT-W is an optional accessory that when installed, completely covers your tourniquet to protect it from the elements. It also helps provide a clean, uniform look. The Jacket integrates with the existing hardware on your RIGID's rear mounting face, and the included snap uses an existing hole on the front of the Cross Front RIGID models. When deployed, the Jacket ""breaks away"" so there is no snagging on your tourniquet. The updated version of the Jacket is made with Blue Force Gear's ULTRAcomp® material. ULTRAcomp® combines the properties of a rubber based laminate - resistance to tear, abrasion, water, bacteria and fungus - and added a Cordura® fabric facing for color or pattern and reduced IR signature. Features: ULTRAcomp® One-Piece Construction Lightweight construction adds little weight to your RIGID TQ Case® Velcro® Loop square for a medical identifier patch Integrates into the Cross Front RIGID TQ Case® with no case modifications Completely covers the tourniquet Break-Away design allows smooth removal of your tourniquet with no snagging Comes with all necessary hardware Does not include the RIGID TQ Case® NOTE: Will not work with the Slick Front RIGID TQ Case® or the legacy Kydex TQ Cases All of Eleven 10®'s products are designed, manufactured and assembled in the USA.

RIGID TQ Case Jacket Safety Instructions

Introduction

Thank you for choosing the Eleven 10® RIGID TQ Case® Jacket v2 for CAT® or SOF®TT/SOF®TTW. This product is designed to protect your tourniquet from the elements while maintaining a clean and uniform appearance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is compatible with your RIGID TQ Case® before installation.
- Always inspect the Jacket for any signs of damage before each use.
- Keep the product out of reach of children and vulnerable individuals when not in use.
- Follow all installation and usage instructions to avoid potential hazards.
- Report any unsafe conditions or incidents to the relevant authorities immediately.
- Regularly check for updates on product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunction or failure to secure the tourniquet.
- Exposure to extreme temperatures may affect the material integrity.
- Do not use the Jacket if it shows signs of wear, tear, or damage.

• To Avoid Hazards:

- Ensure all hardware is securely fastened during installation.
- Do not place heavy objects on top of the Jacket.
- Store the Jacket in a cool, dry place away from direct sunlight.
- Regularly clean the Jacket as per the care instructions to maintain its functionality.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the following components: the Jacket, snap, and necessary hardware.
- Align the Jacket with the existing hardware on the rear mounting face of your RIGID TQ Case®.
- Insert the snap into the existing hole on the front of the Cross Front RIGID models.
- Ensure that the Jacket is securely attached and that all hardware is fastened properly.

2. Usage:

- To deploy the tourniquet, pull on the Jacket's breakaway feature to ensure smooth removal without snagging.
- Regularly check to ensure the Jacket remains securely in place during use.
- If you need to replace or reinstall the Jacket, follow the installation instructions again.

Disposal Instructions

- Dispose of the Jacket according to local regulations regarding textile and plastic waste.
- Do not incinerate the product, as it may release harmful fumes.
- If the Jacket is damaged beyond repair, consider recycling the materials if possible.

Contact Information for Further Support

For any inquiries regarding safety, installation, and product use, please refer to the official Eleven 10® website or customer service channels.

By following these instructions and guidelines, you can ensure the safe and effective use of the Eleven 10® RIGID TQ Case® Jacket v2. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation (GPSR).
