

SHIRT SHIELD FOR RIGID TQ CASE WITH HARDWARE - ELEVEN 10

RIGID TQ SHIRT SHIELD, BLACK

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Supplies](#)

The Eleven 10® RIGID TQ Case® Shirt Shield for C-A-T® is an optional accessory that when installed, creates a barrier between your body, shirt, and the exposed portion of your tourniquet. A great way to prevent premature wear on duty uniforms, preventing any rub marks or fraying that may occur with duty gear worn snug to the body. Installs quickly and comes with necessary hardware. Features: Injection molded one-piece construction Lightweight construction adds little weight to your RIGID TQ Case® Quick installation Prevents premature wear on duty uniforms Comes with all necessary hardware Does not include the RIGID TQ Case® NOTE: Will not work with the legacy Kydex TQ Cases NOTE: TQ Cases will not be able to be worn in the “low ride configuration” with the Shirt Shield installed All of Eleven 10®’s products are designed, manufactured and assembled in the USA.

Safety Instruction Guide for Eleven 10® RIGID TQ Case® Shirt Shield

Introduction

Thank you for choosing the Eleven 10® RIGID TQ Case® Shirt Shield. This accessory is designed to enhance the functionality of your tourniquet while protecting your uniform. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the Shirt Shield is compatible with your RIGID TQ Case® before installation.
- Regularly inspect the Shirt Shield for signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the Shirt Shield if it shows any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- The Shirt Shield is designed for use with the Eleven 10® RIGID TQ Case® only.
- It will not fit legacy Kydex TQ Cases.
- The Shirt Shield may restrict the low ride configuration of the TQ Case. Ensure proper adjustment before use.
- Avoid exposing the Shirt Shield to extreme temperatures or harsh chemicals.
- Do not attempt to modify or alter the Shirt Shield in any way.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary hardware included with the Shirt Shield.
- Align the Shirt Shield with the RIGID TQ Case®.
- Secure the Shirt Shield using the provided hardware, ensuring a snug fit.
- Verify that the installation is secure and that the Shirt Shield does not obstruct any essential functions of the TQ Case.

2. Usage:

- Once installed, the Shirt Shield will act as a barrier between your body and the exposed portion of your tourniquet.
- Regularly check the integrity of the Shirt Shield during use to ensure it remains securely in place.
- If you notice any fraying or wear on your uniform, inspect the Shirt Shield for proper installation.

Disposal Instructions

- Dispose of the Shirt Shield responsibly.
- If the product is damaged or no longer needed, consider recycling it if possible.
- Follow local regulations for disposal of plastic products.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Eleven 10® RIGID TQ Case® Shirt Shield, please refer to the appropriate contact points provided by the manufacturer or retailer.
