

# **SHIRT SHIELD FOR RIGID TQ CASE WITH HARDWARE - ELEVEN 10 RIGID TQ SHIRT SHIELD, RANGER GREEN**

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Supplies](#)

The Eleven 10® RIGID TQ Case® Shirt Shield for C-A-T® is an optional accessory that when installed, creates a barrier between your body, shirt, and the exposed portion of your tourniquet. A great way to prevent premature wear on duty uniforms, preventing any rub marks or fraying that may occur with duty gear worn snug to the body. Installs quickly and comes with necessary hardware. Features: Injection molded one-piece construction Lightweight construction adds little weight to your RIGID TQ Case® Quick installation Prevents premature wear on duty uniforms Comes with all necessary hardware Does not include the RIGID TQ Case® NOTE: Will not work with the legacy Kydex TQ Cases NOTE: TQ Cases will not be able to be worn in the "low ride configuration" with the Shirt Shield installed All of Eleven 10®'s products are designed, manufactured and assembled in the USA.

# **Safety Instruction Guide for SHIRT SHIELD FOR RIGID TQ CASE WITH HARDWARE**

## **Introduction**

Thank you for choosing the Eleven 10® RIGID TQ Case® Shirt Shield. This product is designed to provide an additional layer of protection between your body and your tourniquet. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Ensure the product is used only as intended.
- Regularly inspect the Shirt Shield for any signs of wear or damage.
- Keep the product out of reach of children to prevent accidental use.
- Follow all installation and usage instructions provided in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Do not use the Shirt Shield if it shows signs of damage or wear.
- Ensure the Shirt Shield is securely attached to the RIGID TQ Case® before use.
- Avoid using the Shirt Shield with legacy Kydex TQ Cases, as it is not compatible.
- The Shirt Shield may alter the fit of the RIGID TQ Case®; ensure it does not interfere with the intended use.
- The Shirt Shield should not be used in the “low ride configuration” with the RIGID TQ Case®.

## **Instructions for Installation and Usage**

### **1. Installation**

- Gather all necessary hardware included with your Shirt Shield.
- Align the Shirt Shield with the RIGID TQ Case®.
- Secure the Shirt Shield in place using the provided hardware.
- Ensure all connections are tight and secure before use.

### **2. Usage**

- Once installed, the Shirt Shield creates a barrier between your body and the tourniquet.
- Regularly check the fit and condition of the Shirt Shield during use.
- If you notice any issues, remove the Shirt Shield and inspect for damage.

## **Disposal Instructions**

- Dispose of the Shirt Shield in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or poses a safety risk.
- Consider recycling options where applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided with your product packaging or visit the official Eleven 10® website for further assistance.

By following these guidelines, you can ensure safe and effective use of the Eleven 10® RIGID TQ Case® Shirt Shield. Thank you for prioritizing safety.
