

# TECGRIP IWB HOLSTER - BLACKHAWK SIZE 08 IWB HOLSTER, BLACK

[Home](#)

No clip is needed with the new TecGrip Inside-the-Waistband (IWB) Holster from Blackhawk. Designed for both civilian and law enforcement concealed carry, the TecGrip outer shell will hold fast to most any material, eliminating the need for a clip. Plus, a higher density, closed-cell foam design offers a comfortable wear and a snug fit. They are completely ambidextrous and offered in multiple sizes to fit a wide array of firearms. The TecGrip IWB Holster offers premium concealment at an affordable price.

# TECGRIP IWB HOLSTER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TECGRIP IWB Holster from BLACKHAWK. This product is designed to provide a secure and comfortable means of concealed carry for both civilians and law enforcement. To ensure your safety and the effective use of this holster, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before placing it in the holster.
- Use the holster only with firearms that are compatible with its size and design.
- Regularly inspect the holster for any signs of wear or damage.
- Keep the holster out of reach of children and unauthorized users.
- Do not expose the holster to extreme temperatures or harsh chemicals, as this may affect its performance.
- Be aware of your surroundings and ensure that you are in a safe environment when drawing or reholstering your firearm.

## Specific Safety Precautions for Use

- Ensure the holster is securely positioned against your body before carrying your firearm.
- The TecGrip outer shell is designed to hold firmly to clothing; however, ensure that it is not obstructed by loose clothing or other items.
- Always practice safe firearm handling procedures, including keeping your finger off the trigger until ready to shoot.
- When drawing your firearm, do so in a controlled manner to avoid accidental discharge.
- If you experience any discomfort while wearing the holster, adjust its position or remove it immediately.

## Instructions for Installation and Usage

### 1. Positioning the Holster:

- Place the holster inside your waistband, ensuring the TecGrip material is in contact with your clothing.
- Adjust the position for comfort, ensuring the firearm is easily accessible.

### 2. Securing the Firearm:

- Carefully insert your unloaded firearm into the holster.
- Ensure that the firearm is fully seated in the holster and that the trigger guard is covered.

### 3. Drawing the Firearm:

- Stand in a safe position, ensuring that your firearm is pointed in a safe direction.
- Grip the firearm firmly and draw it straight up from the holster.

### 4. Reholstering:

- Always look at the holster when reholstering to ensure that nothing is obstructing the firearm's path.
- Gently insert the firearm back into the holster, ensuring it is properly seated.

## **Disposal Instructions**

- Dispose of the holster in accordance with local waste disposal regulations.
- If the holster is damaged or no longer usable, consider recycling the materials if possible.
- Do not throw the holster in regular trash if it poses a safety risk to others.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the TECGRIP IWB Holster, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for any safety inquiries or productrelated issues.

## **Conclusion**

Your safety is paramount when using the TECGRIP IWB Holster. By following these guidelines and instructions, you can ensure a safe and effective experience. Remember to regularly check for updates on product safety and recall information through the appropriate channels. Thank you for prioritizing safety and responsible firearm handling.
