

TECGRIP IWB HOLSTER - BLACKHAWK SIZE 04 IWB HOLSTER, BLACK

[Home](#)

No clip is needed with the new TecGrip Inside-the-Waistband (IWB) Holster from Blackhawk. Designed for both civilian and law enforcement concealed carry, the TecGrip outer shell will hold fast to most any material, eliminating the need for a clip. Plus, a higher density, closed-cell foam design offers a comfortable wear and a snug fit. They are completely ambidextrous and offered in multiple sizes to fit a wide array of firearms. The TecGrip IWB Holster offers premium concealment at an affordable price.

TECGRIP IWB HOLSTER SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the TECGRIP IWB Holster by Blackhawk. This guide provides essential safety instructions and guidelines to ensure the safe use of your holster. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the holster is used only for its intended purpose, which is to securely hold a firearm for concealed carry.
- Always store the holster in a safe place when not in use, away from children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage. If you notice any defects, discontinue use immediately.
- Be aware of your surroundings and ensure that the holster does not obstruct your movement or visibility.
- Follow all local laws and regulations regarding the carrying of firearms.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before placing it in the holster.
- Do not attempt to draw the firearm from the holster while seated or in a confined space.
- Ensure that the holster is securely positioned against your body before carrying your firearm.
- Avoid wearing the holster in situations where it may be exposed to excessive moisture or extreme temperatures.
- If you are new to using a holster, practice drawing and reholstering your firearm in a safe environment before carrying it in public.

Instructions for Installation and Usage

1. Fitting the Holster:

- Place the TECGRIP IWB Holster against your waistband.
- Adjust the position to ensure comfort and accessibility when drawing the firearm.
- Ensure that the TecGrip outer shell is in contact with your clothing for a secure fit.

2. Securing the Holster:

- The holster does not require a clip. The TecGrip material will hold the holster in place against your body.
- Make sure the holster is snug against your body to prevent any movement during activities.

3. Inserting the Firearm:

- Ensure the firearm is unloaded.
- Carefully insert the firearm into the holster, ensuring that the trigger is covered and not accessible.
- Adjust the holster as necessary to ensure a secure fit.

4. Drawing the Firearm:

- Stand in a stable position, ensuring you have a clear path to draw.
- Grip the firearm firmly and draw it smoothly from the holster.

5. Reholstering the Firearm:

- Ensure that the firearm is pointed in a safe direction.
- Carefully insert the firearm back into the holster, ensuring that the trigger remains covered.

Disposal Instructions

- Dispose of the holster in accordance with local regulations and guidelines.
- If the holster is damaged beyond use, consider recycling materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the TECGRIP IWB Holster, please refer to the manufacturer's contact information included with your product packaging.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your TECGRIP IWB Holster. Always prioritize safety and adhere to local laws regarding firearm carry. Thank you for your attention to these important guidelines.
