

TECGRIP IWB HOLSTER - BLACKHAWK SIZE 03 IWB HOLSTER, BLACK

[Home](#)

No clip is needed with the new TecGrip Inside-the-Waistband (IWB) Holster from Blackhawk. Designed for both civilian and law enforcement concealed carry, the TecGrip outer shell will hold fast to most any material, eliminating the need for a clip. Plus, a higher density, closed-cell foam design offers a comfortable wear and a snug fit. They are completely ambidextrous and offered in multiple sizes to fit a wide array of firearms. The TecGrip IWB Holster offers premium concealment at an affordable price.

TECGRIP IWB HOLSTER SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the TECGRIP IWB Holster by Blackhawk. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your holster. Please read through this document carefully to understand how to use your holster safely and responsibly.

General Safety Guidelines

- Always ensure that your firearm is unloaded before placing it in the holster.
- Check the holster regularly for any signs of wear or damage. Replace if necessary.
- Keep the holster out of reach of children and unauthorized users.
- Do not use the holster with firearms that are not compatible in size or design.
- Ensure that the holster is securely positioned on your body before carrying your firearm.
- Avoid exposing the holster to extreme temperatures or harsh chemicals that may degrade the material.

Specific Safety Precautions for Use

- **Ambidextrous Use:** This holster is designed for both righthanded and lefthanded users. Ensure that you are using the holster in a manner that is comfortable and safe for your dominant hand.
- **Wear Position:** The holster is intended for insidethewaistband carry. Ensure that the firearm is securely positioned and that the holster does not interfere with movement.
- **Clothing Considerations:** Wear appropriate clothing that covers the holster completely to maintain concealment and prevent accidental exposure.
- **Adjustable Fit:** The TecGrip outer shell provides a snug fit. Adjust the positioning if you experience discomfort or if the holster feels loose.

Instructions for Installation and Usage

1. Preparing the Holster:

- Ensure the holster is clean and free from any debris.
- Check that the TecGrip outer shell is intact and not damaged.

2. Inserting the Firearm:

- Ensure your firearm is unloaded.
- Carefully slide the firearm into the holster, ensuring it fits snugly without forcing it.
- Make sure the trigger area is covered and secure.

3. Wearing the Holster:

- Position the holster inside your waistband at your preferred carry location (e.g., hip, back).
- Adjust the holster for comfort, ensuring it does not shift during movement.
- Ensure the firearm is accessible but remains concealed.

4. Removing the Holster:

- When removing the holster, ensure your firearm is unloaded and safely secured.
- Carefully slide the holster out of your waistband without causing any accidental discharge.

Disposal Instructions

- Dispose of the holster responsibly. If it is damaged or no longer in use, consider recycling the materials if possible.
- Follow local regulations for the disposal of materials that may not be recyclable.

Contact Information for Further Support

For any safety inquiries or additional support regarding your TECGRIP IWB Holster, please refer to the contact information provided by the retailer or manufacturer. Ensure you have your product details ready when seeking assistance.

Conclusion

Your safety is paramount. By following these guidelines and instructions, you can ensure the responsible use of your TECGRIP IWB Holster. Stay informed about safety updates and recalls through official channels. Thank you for prioritizing safety while carrying your firearm.
