ACE ESSENTIAL RETRO ALUMINUM CAR BUTTSTOCK ASSEMBLY SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ACE Essential Retro Aluminum Car Buttstock Assembly by Double Star. This product is designed for retro builds and offers improved manufacturing processes and durable materials. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the buttstock assembly for any signs of damage or wear.
- Store the product in a dry and safe location, away from children and pets.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Age Restriction:** This product is intended for adult users only. Keep out of reach of children.
- **Installation Safety:** Ensure all components are securely fastened before use.
- **Usage Environment:** Use the product in a controlled environment to avoid accidents.
- **Handling:** Always handle the product with care to prevent injury.
- **Maintenance:** Regularly clean and maintain the product to ensure longevity and safety.

Instructions for Installation and Usage

Installation Instructions

1. Gather Required Tools:

- Screwdriver
- Wrench

2. Prepare the Workspace:

- Ensure you have a clean and welllit area to work in.

3. Attach the Buttstock:

- Align the buttstock with the buffer tube.
- Securely fasten the buttstock to the buffer tube using the provided screws.

4. Install the End Plate:

- Place the end plate over the buffer tube.
- Use the wrench to tighten the castle nut securely.

5. Adjust the Length:

- Adjust the buttstock to the desired length using the twoposition adjustment feature (7" and 10").

6. Final Check:

- Ensure all components are tightly secured and there is no movement.

Usage Instructions

- Before use, ensure that the assembly is properly installed and adjusted.
- Periodically check the assembly during use for any signs of looseness or wear.
- If you experience any issues, cease use immediately and inspect the product.

Disposal Instructions

- Dispose of the product responsibly.
- Follow local regulations for the disposal of aluminum and plastic materials.
- Do not incinerate the product as it may release harmful substances.

Contact Information for Further Support

For any further inquiries or support regarding the ACE Essential Retro Aluminum Car Buttstock Assembly, please refer to the manufacturer's contact information provided with your product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and effective experience with your ACE Essential Retro Aluminum Car Buttstock Assembly. Thank you for your attention to safety and compliance with EU regulations.
