ACE ESSENTIAL RETRO ALUMINUM CAR BUTTSTOCK ASSEMBLY Safety Instruction Guide

Introduction

Thank you for choosing the ACE Essential Retro Aluminum Car Buttstock Assembly. This product is designed to enhance your retro builds with its original Vietnam Era design and improved manufacturing process. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle the buttstock assembly with care to prevent injury.
- Inspect the product for any defects or damage before use. Do not use if damaged.
- Ensure that the product is installed correctly and securely to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of this product.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation can lead to malfunction or injury.
- Sharp edges may be present on the aluminum construction; handle with caution.
- The product may contain small parts that pose a choking hazard to children.

• Avoiding Hazards:

- Always use proper tools and follow the installation instructions carefully.
- Wear appropriate personal protective equipment (PPE) such as gloves and safety glasses when handling the product.
- Do not modify the product in any way as this may compromise its safety and performance.

• AudienceSpecific Warnings:

- This product is intended for adult use only. Keep out of reach of children.
- Ensure that all users are trained and knowledgeable about the proper handling and use of firearms and accessories.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the following tools ready: a wrench, screwdriver, and any necessary installation tools.
- Remove the existing buttstock if applicable, following proper safety protocols.
- Attach the provided buffer tube to the lower receiver of your firearm.
- Secure the end plate and castle nut onto the buffer tube, ensuring a tight fit.
- Adjust the buttstock to your desired length using the twoposition adjustment feature (7" and 10").
- Doublecheck all connections for security before use.

2. Usage:

- Always ensure that the firearm is unloaded before handling or adjusting the buttstock.

- Adjust the buttstock length as needed for comfort and control during use.
- Regularly inspect the buttstock assembly for wear and tear, replacing parts as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum and plastic waste.
- Do not throw the product in regular household waste.
- Consider recycling the aluminum components where facilities are available.

Contact Information for Further Support

For safety inquiries or to report unsafe products, please reach out to the appropriate EUbased contact point or visit the EU's Safety Gate platform for updates on recalls and safety information.

Thank you for following these safety instructions. Your adherence to these guidelines ensures a safe and enjoyable experience with the ACE Essential Retro Aluminum Car Buttstock Assembly.
