

T-BONE CHARGING HANDLE FOR 223/5.56 - STRIKE INDUSTRIES T-BONE CHARGING HANDLE FOR 223/5.56 OD GREEN

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The Strike Industries T-Bone Charging Handle for .223/5.56 AR-15's feature a patented gas redirect system that allows you to configure the gas to exit only left, only right or evenly to both sides. The shaft of the charging handle is machined from 7000 series aluminum which excels in applications requiring lightweight and high strength. However, with comfort and control in mind, the T-Bone latchless handles are made from SI PolyFlex polymer. The handles can be easily swapped with optional (coming soon) different sizes and styles. The latchless feature of the T-Bone gives minimal wear and tear on your AR upper receiver compared to traditional charging handles on the market. The Strike Industries T-Bone Charging Handle for .223/5.56 gives you a modular way to direct the gas and setup the feel and look for one of the most overlooked and essential part of your AR upper receiver. COMPATIBILITY: AR-15/M4/M16 upper receivers NOT COMPATIBLE: AR-10 upper receivers

TBONE CHARGING HANDLE FOR .223/5.56 SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Strike Industries TBone Charging Handle for .223/5.56. This guide provides essential safety instructions and information to ensure the safe and effective use of your new charging handle. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of the TBone Charging Handle in accordance with all provided instructions.
- **Enhanced Recalls:** Stay informed about any potential recalls or safety notices regarding the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Compatibility:** This charging handle is designed for AR15/M4/M16 upper receivers only. Do not attempt to use it with AR10 upper receivers.
- **Installation Safety:** Ensure the firearm is unloaded before installation. Always follow safe firearm handling practices.
- **Gas Configuration:** Be aware of the gas redirect system. Improper configuration may lead to unexpected gas discharge.
- **Handling:** Use caution while handling the charging handle. The edges may be sharp, and improper handling can lead to injury.
- **Regular Checks:** Periodically inspect the charging handle for wear or damage. Replace it if any issues are found.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

2. Installation:

- Remove the existing charging handle from your AR upper receiver.
- Align the TBone Charging Handle with the charging handle slot.
- Slide the charging handle into place until it is securely fitted.

3. Gas Configuration:

- Decide on the desired gas exit configuration (left, right, or both).
- Follow the manufacturer's instructions to adjust the gas redirect system accordingly.

4. Usage:

- To operate the charging handle, pull it back smoothly and release it to chamber a round.
- Ensure that your grip is firm but controlled to avoid slippage during operation.

5. PostUse Checks:

- After use, inspect the charging handle for any signs of wear or damage.
- Clean the charging handle as needed to maintain optimal performance.

Disposal Instructions

- Dispose of the TBone Charging Handle in accordance with local regulations for plastic and aluminum waste.
- Do not dispose of the charging handle in regular household waste if it is damaged or broken. Follow proper recycling protocols.

Contact Information for Further Support

For any inquiries regarding the TBone Charging Handle, please refer to the support details provided with your purchase. Ensure that you have the product details and any relevant information ready when seeking assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Strike Industries TBone Charging Handle for .223/5.56. Always prioritize safety and responsible firearm handling.
